Business Administrator

August 2026

SWSD Comet Families/Guardians:

As we prepare for the 2026–2027 school year, the Swedesboro-Woolwich School District is committed to creating learning environments where every **COMET can be present, connected, engaged, and ready to learn.**

To support this goal, we are establishing clear expectations for **personal internet-enabled devices,** *in accordance with Policy 5516: Student Use of Internet Enabled Devices,* during the school day.

PHONES AWAY DURING THE SCHOOL DAY.

This includes **smartphones, smartwatches, smart glasses, and other personal internet-enabled devices.** These devices must be kept away and inaccessible to students during the school day, in accordance with each school's procedures.

When devices are put away, students have more opportunities to:

- 📚 **Focus on learning**
- 💬 **Build meaningful relationships**
- 🤝 **Collaborate and communicate**
- 🌟 **Be present and engaged**
- 🚀 **Develop skills for their bright future ahead**

This expectation will be implemented across **Hill, Harker, Stratton and Clifford**, with procedures appropriate for each school and age group.

AirTag devices are permitted but must remain **in students' backpacks.** .

We appreciate the partnership of our students and families as we work together to create schools where students can **connect, learn, grow, and thrive.**

Grow Your Mind. Leave the Screen Behind.

Kindly,

Mrs. Jacquelyn Traini

Superintendent

"Making an Impact for a Bright Future Ahead!"
