Did you know?

August is named after Augustus Caesar, the first Roman emperor, who chose this month because it was the time of many of his greatest military victories.

Welcome back to a brand-new school year! We are so excited to have our students and families back and look forward to another wonderful year of nutritious meals, happy smiles, and making every meal with love.

We wish all of our students, families, and staff a fantastic first day and an amazing school year!

Reminders:

Milk substitutions are available daily to district students who have a current, completed Allergy Form on file with their school nurse. Please remember that the Allergy Form must be updated each school year.

Menu items containing pork are highlighted in yellow.
