

FALL CLASSES ON SALE!

Check out our Middle & High School classes that are coming up this fall!

Beginner Crochet

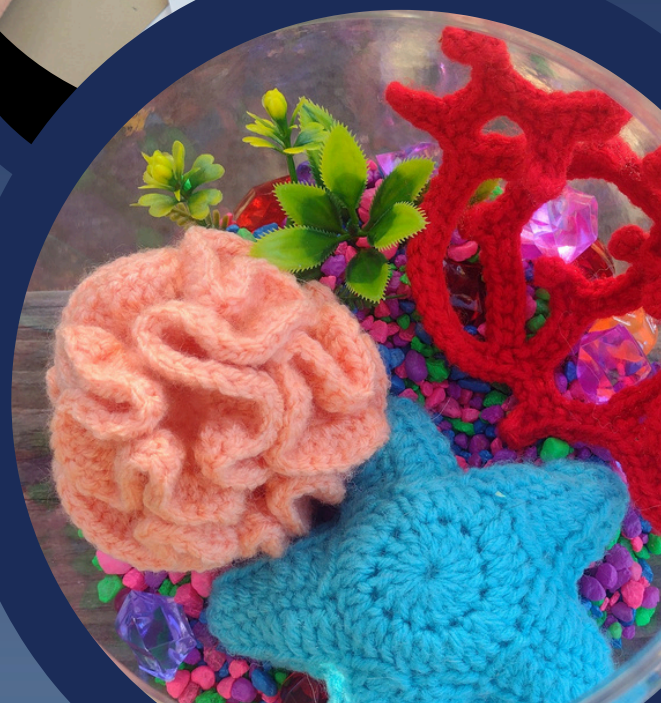

GRADES 6-12 TUESDAYS 4:30P-6P

Come in and learn the basics of crochet, including chain stitch, single crochet stitch, double and half double crochet stitches. We will be working as a class on projects like creating a red sea fan, brain coral, and a sea star. If you like to DIY and you love handmade items, crochet class is the place for you!

Animal Drawing for Youth & Teens

GRADES 6-12 WEDNESDAYS 4:30P-6P

Who doesn't love animals? From bugs to birds to canines, each week students will learn how to realistically draw and shade a group of animals. Students will focus on observing and understanding the natural world. With a week on dragons, of course!
