WAY TO GO, FALCONS!

PARKING:

Students park on the Irving side of the building. Parents use the Ventana entrance for student pickup. Please do not deviate from these designated areas, as students should not have to cross through traffic to reach vehicles. This is an important safety concern.

See something on the Edgenuity Dashboard that doesn't look right? Hoping to change the days you attend? The **ONLY** way to have changes made to your schedule and/or courses is to complete a Course Change Request Form. Form was in your back to school folder, available at the front desk or ask a teacher for a form. Turning in a form **DOES NOT** guarantee a change, but administration will consider all changes and email the student with details.

Please Note: Schedule changes will only be considered during the first few weeks of school. The final deadline to request schedule changes is Wednesday, August 19th.

High School: The last day to drop an elective course without an F is 10/2/2026.

Students MUST bring headphones daily! You cannot hear the lessons in Edgenuity if you don't have them, so it's critical to bring them.

Best Practices for a Successful Day at School include:

Charge Your Chromebook
Bring a Pencil & Paper for Notes
Get a Good Night of Sleep
Eat a Good Breakfast

Drop Off & Pick Up

Do's & Don'ts

Help Keep Our School Safe, Respectful, and Running

DO:

- **Be Patient** – We're all in this together. A few extra minutes of kindness goes a long way.
- **Line Up Properly** – Follow the traffic flow and stay in the car line. Cutting the line puts others at risk.
- **Use the Designated Loading/Unloading Zones ONLY** – That's where students should get in or out of vehicles.
- **Stay in Your Car** – Staff will assist as needed. Staying in your vehicle keeps the line moving.
- **Have Kids Ready** – Backpacks, lunches, and goodbyes should be ready before you pull up.
- **Drive Slowly** – Students are everywhere. Please drive like your own child is walking by.
- **Pay Attention** – Put the phone away. Eyes up, hands on the wheel.
- **Pull all the way up to drop off or pick up.** Students can walk to you and allow others behind you to load/unload at the same time.
- **Be a Good Example** – Your behavior models respect and safety for all students.

DON'T:

- **Do NOT Park in a Parking Spot to Drop Off or Pick Up** – Please stay in the car line. Your child will meet you in the loading zone.
- **Do NOT Park or Sit Along Ventana Road** – This causes unsafe conditions and blocks the flow of traffic.
- **Do NOT Block the Gate Before 7:30 AM** – Staff need access. If you're early, wait on Ventana.
- **Do NOT enter the parking lot before 7:30.** Staff will be entering but be respectful and stay outside the gate until then.
- **Do NOT Get Out of Your Car in the Drop-Off/Pick-Up Line** – This causes delays and safety hazards.
- **Do NOT Use Your Phone** – Stay focused. Distracted driving in a school zone is dangerous.
- **Do NOT Speed** – Slow and steady keeps everyone safe.
- **Do NOT try to talk to staff at this time.** They have to focus on their job at hand and keeping all safe!
- **Do NOT Argue with Staff or Try to Bend the Rules** – Procedures are in place to protect all students.

Let's work together to create a smooth, respectful, and safe experience for everyone. Thank you for your cooperation!
