CENTRAL ELEMENTARY SCHOOL
Title I Parent Involvement Policy

Central Elementary is committed to providing a quality education for every child and to establishing strong partnerships with parents. Shared responsibility for high student performance, frequent communication and on-going parental involvement are essential components for assuring academic success for our students.

A Parent-Teacher-Student-Principal compact is sent out at the beginning of each year to formally recognize the importance of everyone working together in the educational process. It is our goal to have all students achieve high standards and reach their full potential in school.

Central Elementary is required to have an annual meeting to inform parents of our school's participation as a Title I site. All parents are invited to attend our open house meeting in the fall. Central's Title I policies and services are discussed at this meeting.

We encourage parents to attend the many Parent Involvement Events that we have during the year. For the year 2026-2027, we plan on continuing our Family Math and Reading Nights. Last school year, we held a Fall math night "Stem-tastic Math Night", and a Spring literacy event with our book fair "Egg-cellent Book Hunt". We also held a Kindergarten parent night where we provided resources to our new Kindergarteners and their parents to work on skills at home. These parent events were filled with fun activities for the parents to help their children learn.

Communication between parents and school is a very important part of the Title I program. Parents are encouraged to give us suggestions or concerns about our school. Information is sent home in weekly folders and is also available on our web site.

Parents, students, and teachers are involved in planning, reviewing, and improving the programs and services offered under Title I. Needs assessments and program evaluation surveys are conducted in the spring of each school year. The information received from these surveys guide us in revising our yearly plans for Title I at Central.

ADOPTION

This policy was adopted by Central Elementary School on _____ and will be in effect for the 2026-2027 school year. The school will distribute this policy to all Central parents on or before September 8th.
