RE: Annual report of discipline pursuant to Policy 5695

Date: 8/12/2026

At the end of our first year implementing policy 5695, Students and Personal Electronic Devices, we have recorded 991 infractions resulting in some form of disciplinary consequence. An unduplicated count reveals that 569 students were involved in these infractions, representing 7.1% of enrolled students. Of these 991 infractions, 98.7% (978) took place at the secondary level, with 863 (87.1%) at the high school level and 115 (11.6%) at the middle school level.

Disciplinary consequences for infractions included:

- 175 student conferences (17.7% of infractions): Meeting with a student to reinforce expectations followed by the student securing their device in approved school day storage.
- 227 device confiscation with parent notifications (22.9% of infractions): Device taken to office and either returned to a parent/guardian, or to the student depending on circumstances.
- 73 lunch detentions (7.4% of infractions): Student assigned to eat lunch in supervised detention during their lunch period.
- 473 after school detentions (47.7% of infractions): Student assigned to supervised detention for one hour after school.
- 15 part day PASSroom assignments (1.5% of infractions): Student assigned to PASSroom (Positive Alternative to School Suspension) for one or more periods during the school day.
- 25 full day PASSroom assignments (2.5% of infractions): Student assigned to PASSroom (Positive Alternative to School Suspension) for a full school day.
- 3 out of school suspensions (0.3% of infractions): Student excluded from school attendance for a full school day.
