

Student Waiver of Liability and Acceptance of Terms and Conditions for Permission to Leave Campus During Instructional Day School Year _____

During the school day there may be periods of time where a high school student's schedule includes virtual, CCP, or online instruction such that the student's presence on school grounds is not required. During those periods of flexible instruction, the District will permit a student to leave campus and return later (where applicable) only with the written consent of the student and parents/guardians to the following:

1. The student shall be responsible for returning to campus for class, as their schedule requires. Should the student not be able to manage their schedule or have continued tardiness or absence after leaving campus, these privileges may be revoked.
2. The student shall be responsible for any missed work or class tardiness caused by leaving campus.
3. In exchange for the student's permission to leave campus during the school day, the undersigned hereby assume all related risks and release, discharge, and/or waive any and all liability, claims, damages, causes of action and/or demands against the Dublin City School District Board of Education ("Board") and its employees and volunteers of every kind and nature which may arise from or in connection with such permission, including litigation expenses and attorney's fees. The undersigned further agree to indemnify and hold harmless the Board and its employees and volunteers from any claim arising out of or related to the student's participation in leaving campus as authorized herein.
