Online Education Programs

Lamar University's online programs equip you with the knowledge and expertise to lead in the classroom and beyond.

THREE REASONS TO CHOOSE LU:

- **Trusted by Texans:** LU education alumni represent 216 of 254 (85%) Texas counties.
- **Opportunity Rich:** Our national recognition as both a **Research 2 (R2) institution** and an **Opportunity College and University (OCU)** helps Lamar University attract funding and expand research opportunities that can strengthen your career development.
- **Network Effect:** LU ranks **#1 in Texas** and **#4 in the nation** for M.Ed. degrees conferred. Connect with a lifelong network of field leaders who recognize your value.

ONLINE PROGRAM ADVANTAGES:

- **Convenience:** 100% online coursework
- **Value:** quality education, affordable cost
- **Flexibility:** multiple start dates per year

Lamar University has engaged Risepoint to help support your education journey. LU maintains responsibility for curriculum, teaching, admissions, tuition, financial aid, accreditation, and all other academic and instruction-related functions and decisions.
