One goal. Two approaches to teacher certification.

- Finish in as few as 12 months
- Affordable tuition
- Extensive classroom experience

IMPACT MORE STUDENTS

The growth of Texas is creating high demand for certified teachers. Change lives and influence future generations, as you help fulfill a vital need.

M.A. in Teaching Path

Maximize your career opportunities with a Master of Arts in Teaching online program. Learn from experienced educators as you prepare to sit for the Texas Education Certification exam, and graduate with a master's degree to help qualify for advanced roles in the classroom and beyond, serving the needs of diverse learners.

Alternative Certification Program Path

Combining exceptional affordability with a high-quality curriculum, the online Alternative Certification Program empowers you with the knowledge and skills to lead a K-12 classroom with confidence. Learn from the same faculty who teach on campus and gain real classroom experience through a paid internship.

WHY CHOOSE LU ONLINE?

- 100% online coursework
- Only \$360 per credit hour*
