Direct Install Program

JCP&L has partnered with Willdan to provide efficiency programs that can help your business save on energy costs. Our energy advisors will guide you through energy-saving upgrade options and help your business get the best possible deal. Best of all, incentives are available that **cover up to 80%** of the installed project cost. To make upgrading even simpler and more cost-effective, qualifying customers may be eligible for **0% financing up to a 5-year term**.
