Share with faculty and staff.

Description:

The Mississippi Organ Recovery Agency is proud to introduce the Walker Wilbanks Memorial Scholarship. This scholarship is established by Mr. and Mrs. David Wilbanks in honor of their son, Walker, who became an organ donor in 2014.

Walker was a student-athlete at Jackson Preparatory School in Flowood who enjoyed hunting, fishing, and spending time with friends. He was known for his generous spirit and for encouraging others to be their best. The scholarship award is \$2,265, a meaningful amount that reflects Walker's baseball and football jersey numbers.
