BOOSTERS Fund Request

Boosters Mission includes providing support for extracurricular activities which bolster learning, develop character and advocate leadership in our students.

Booster prior approval has been made to allow for $15 meal stipend and $5 goody bag stipend for each student athlete at state playoff events. Additional funds must be approved by a vote of the board. Board meetings are the first Wednesday of even months (August, October, December, February, April, June). Advanced planning may be needed, and funds are always subject to availability in the Booster Fund.
Send all fund requests to tcpboosters@tcprep.org and text 509-380-3026 to notify the request was submitted.
