Explorer Post #2066

Who Are We?

The Lake County Sheriff's Office Law Enforcement Explorer Post is underwritten by Scouting America. The program is open to youth ages 14-20 years old. Explorer Post #2066 is focused on volunteerism and offers participants training and practical experience in the field of law enforcement. Instructors from the law enforcement community instruct participants in a variety of policing procedures. Post members participate in community events and can attend state and national explorer post competitions.

Why Join?

Our post can give you valuable hands-on experience in law enforcement related activities, allowing you to explore whether a career in law enforcement is the right fit for you. Training and education focus on communication, teamwork, leadership, conflict resolution, de-escalation, and decision making. Regardless of career choice, these skills are valuable in any career.
