CLASS ASSIGNMENTS

Classroom assignments are within the school district's discretion. If there are special circumstances that you would like us to be aware of when considering classroom assignments, please contact the school by the end of April. Please keep in mind, we take into consideration many factors when determining these classroom assignments, we may not be able to honor all requests. We hope you can all trust that we have each and every one of your children's best interests in mind and will make the class assignments to reflect that.

COMPLAINTS

Students, parents, employees or other persons, may report concerns or complaints to the school district. While written reports are encouraged, a complaint may be made orally. Any employee receiving a complaint shall advise the principal or immediate supervisor of the receipt of the complaint. However, persons are encouraged to follow the chain of command, starting with the teacher or coach regarding student concerns.

CONFERENCES

Conferences are held twice per year **as stated on the school calendars**. For more information, contact the building principal.

DIGITAL TOOLS

Northland Community Schools uses a variety of digital tools to support student learning. Technology vendors and software is utilized to support work as we help all students develop the skills necessary to succeed in an ever-changing world.

We have an inventory of our curriculum, testing, and assessment tools posted on our website at www.isd118.k12.mn.us and it includes an outline of the student data elements within each tool. This list is maintained and communicated annually to all families at the start of the school year.

Please reach out to Lori Sizenbach, District Tech, at (218) 566-2351 ext. 32085 for additional questions regarding specific digital tools used in classrooms.

EIGHTEEN-YEAR-OLD STUDENTS

The age of majority for most purposes in Minnesota is 18 years of age. All students, regardless of age, are governed by the rules for students provided in school district policy and this handbook.

EMPLOYMENT BACKGROUND CHECKS [*]

The school district will seek criminal history background checks for all applicants who receive an offer of employment with the school district. The school district also will seek criminal history background checks for all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, regardless of whether compensation is paid. These positions include, but are not limited to, all athletic coaches,

[*] Notice required by statute

[**] Notice required by policy

extracurricular academic coaches, assistants, and advisors. The school district may elect to seek criminal history background checks for other volunteers, independent contractors, and student employees.

EQUAL ACCESS TO SCHOOL FACILITIES

The school district has created a limited open forum for secondary students to conduct noncurricular-related meetings during noninstructional time. The school district will not discriminate against or deny equal access or a fair opportunity on the basis of the religious, political, philosophical, or other content of the speech at such meetings. These limited open forum meetings will be voluntary, and student initiated; will not be sponsored by school employees or agents; employees or agents of the school will be present at religious meetings only in a nonparticipator capacity; the meetings will not interfere with the orderly conduct of educational activities within the school; and non-school persons will not direct, control, or regularly attend activities of student groups. All meetings under this provision must follow the procedures established by the school district.

FEES [*]

Materials that are part of the basic educational program are provided with state, federal, and local funds at no charge to a student. Students are expected to provide their own pencils, pens, paper, erasers, notebooks, and other personal items. Students may be required to pay certain other fees or deposits, including (not an inclusive list):

- Personal physical education and athletic equipment and apparel.
- Items of personal use or products that a student has an option to purchase such as student publications, class rings, annuals, and graduation announcements.
- Field trips considered supplementary to the district's educational program.
- Admission fees or costs to attend or participate in optional extracurricular activities and programs.
- Voluntarily purchased student health and accident insurance.

Students will be charged for textbooks, workbooks, and library books that are lost or destroyed. The school district may waive a required fee or deposit if the student and parent/guardian are unable to pay.

FOOD IN THE CLASSROOMS

Eating and/or drinking beverages in the classroom is forbidden except for preapproved activities, including (but not limited to):

- Water in closeable containers
- Kindergarten and 1st Grade Breakfast
- Elementary snack
- Preapproved events organized by classroom teacher

Eating and/or drinking is prohibited near school devices.

FUNDRAISING

[*] Notice required by statute

[**] Notice required by policy

All fundraising activities conducted by student groups and organizations and/or parent groups must be approved in advance by the administration. Participation in nonapproved fundraising activities is a violation of school district policy. Solicitations of students or employees by students for school and non-school-related activities will not be allowed during the school day.

GIFTS TO EMPLOYEES

The school district recognizes that students, parents, and others may wish to show appreciation to school district employees. It is the policy of the school district, however, to discourage gift-giving to employees, and to encourage donors instead to write letters and notes of appreciation or to give small tokens of gratitude as memorabilia.

GRADUATION CEREMONY

Student participation in the graduation ceremony is a privilege, not a right. Students who have completed the requirements for graduation are allowed to participate in graduation exercises, unless participation is denied for appropriate reasons, which may include discipline. Graduation exercises are under the control and direction of the building principal.

INTERVIEWS OF STUDENTS BY OUTSIDE AGENCIES

Students may not be interviewed during the school day by persons other than a student's parents/guardians or school district officials, employees, and/or agents, except as provided by law and/or school policy.

LIBRARY AND MEDIA CENTER

The library/media center is open various periods throughout the day. Students may use the library/media center during the school day and before and after school only when a supervisor is present or with approval from administration.

LUNCH

Lunch is to be eaten in designated areas only. Lunch times vary by classroom. Students will be notified of their assigned lunch time on the first day of school. Students may receive a lunch at school or bring a prepared lunch from home. Milk will be available to supplement lunches brought from home.

Our school offers healthy meals each day. Starting school year 2023-24, we joined Minnesota's Free School Meals Program. All students can get one breakfast and one lunch free of charge each day at school. Although no application is required to receive this free meal benefit, filling out the Application for Educational Benefits is still important! Your child(ren) may qualify for other benefits like reduced fees at school. Also known as Free & Reduced Application, it's more than just a free lunch! The program provides financial assistance for many other things, including sports/activities, instruments, technology, reduced class sizes, student support services, field trips and more.

The Educational Benefits Form helps not just your family, but kids across the district in many ways. Just one form ensures continued funding to support ALL kids in our schools.

[*] Notice required by statute

[**] Notice required by policy

We are pleased to offer our High School students the privilege of charging a la carte items to their family account if funds are available in their accounts. We ask that you deposit some money into your child's lunch account and keep a balance in the account. You can deposit money into the lunch account in one of these ways: through the parent portal, by dropping off cash or a check at school, or by sending your deposit with your child in a sealed envelope that is clearly marked "Lunch Account for" and your child's name.

Northland Community Schools Food Service Program uses the offer-versus-serve provision of the National School Lunch Program for high school students. This provision allows students to refuse or take smaller portions of one or two of the five required food items in the lunch if they do not intend to consume them. This is designed to reduce food waste and food cost without jeopardizing the nutritional integrity of the lunches served.

CLOSED CAMPUS

Northland Community Schools is a closed campus; therefore, Northland High School has a closed lunch period. This means students must remain in the building during their lunch period. Students are not permitted to leave for lunch, unless they are a qualifying senior in their 2nd semester with signed parent/guardian permission.

MESSAGES TO STUDENTS

Students will not be called out of class to receive phone messages except in the event of an emergency. Personal cell phone use during the instructional day is prohibited. Please arrange for non-emergency communication with your child(ren) during non-instructional times, such as before and after school and during lunch.

NONDISCRIMINATION [*]

The school district is committed to inclusive education and providing an equal educational opportunity for all students. The school district does not discriminate on the basis of race, color, creed, religion, national origin, sex, marital status, parental status, status with regard to public assistance, disability, sexual orientation, including gender identity and expression, or age in its programs and activities. The school board has designated **Superintendent, Mark Morrision 218-566-2351** as the district's Title IX Coordinator and Human Rights' Officer to handle inquiries regarding nondiscrimination.

NOTICE OF VIOLENT BEHAVIOR BY STUDENTS []**

The school district will give notice to teachers and other appropriate school district staff before students with a history of violent behavior are placed in their classrooms. Prior to giving this notice, district officials will inform the student's parent or guardian that the notice will be given. The student's parents/guardians have the right to review and challenge their child's records, including the data documenting the history of violent behavior.

PLEDGE OF ALLEGIANCE [*]

[*] Notice required by statute

[**] Notice required by policy

Students will recite the Pledge of Allegiance to the flag of the United States of America daily during morning announcements. Any person who does not wish to participate in reciting the Pledge of Allegiance for any personal reason may elect not to do so. Students must respect another person's right to make that choice. Students will also receive instruction in the proper etiquette toward, correct display of, and respect for the flag.

REGISTRATION

To register a student, pick up a registration packet from the school office or call the school office at (218) 566-2351 to have a packet mailed to you. Forms can also be found on the district website:

www.isd118.k12.mn.us > Resources>Parent> Forms and Registration Paperwork.

Return the completed packet to the school secretary.

Every child entering kindergarten must show evidence that he/she attended an Early Childhood Screening. If your kindergarten child has not attended an Early Childhood Screening prior to entering school, please contact the school office. A copy of the student's birth certificate and immunization record must be presented at registration for kindergarten.

SCHOOL ACTIVITIES

The school district provides opportunities for students to pursue special interests that contribute to their physical, mental, and emotional health. Formal instruction is the school district's priority.

Students who participate in school-sponsored activities are expected to represent responsibly the school and community. All rules pertaining to student conduct and student discipline apply to school activities.

All spectators at school-sponsored activities are expected to behave appropriately. Students and employees may be subject to discipline. Parents/guardians and other spectators may be subject to sanctions for inappropriate, illegal, or unsportsmanlike behavior at these activities or events.

Northland Community Schools is a member of the Minnesota State High School League (MSHSL). Students who participate in MSHSL activities must abide by the MSHSL rules. The district will enforce all MSHSL rules during the school year and in the summer as applicable.

Employees who conduct MSHSL activities will cover applicable rules, penalties, and opportunities with students and parents/guardians prior to the start of an activity. For more information about the MSHSL rules and student eligibility requirements, contact the Activities Director.

FAN CODE OF CONDUCT

Sportsmanship is an essential part of any athletic competition and is expected from athletes, coaches, officials, fans and parents. As a fan/spectator (student or adult) of Northland High School, we want you to be an example of positive encouragement while supporting our athletes, coaches and officials. Our behavior should be positive, respectful and encouraging of the athletes, coaches, officials and the game.

RESPECT THE RIVALRY -- RESPECT THE GAME

[*] Notice required by statute

[**] Notice required by policy

Northland High School encourages:

- Enthusiastic support of your team
- Good Sportsmanship
- Family Friendly Atmosphere
- Commitment to Safety
- Welcoming Attitude to all Fans and Visitors

Unacceptable Behaviors:

- Disruptive, unruly or intoxicated behavior
- Foul or abusive language or obscene gestures
- Rudeness to fellow fans or NHS personnel
- No one, other than the coaches and teams, is allowed on the field/court at any time
- Use of alcohol or tobacco at NHS athletic events
- Intoxicated or disruptive fans

Fans who display unacceptable behaviors will be subject to sanctions, including refusal of admittance, removal, and arrest.

SCHOOL CLOSING PROCEDURES

School may be cancelled when the superintendent believes severe weather or other circumstances threaten the safety of students and employees. The superintendent will decide as early in the day as possible about closing school or school buildings.

If school is going to start late, close early, or close due to inclement weather, notification will be made through the following information outlets:

- Instant Message via phone, email and text
- Posted on the district website: www.isd118.k12.mn.us

SCHOOL SUPPLIES

[*] Notice required by statute

[**] Notice required by policy

Most general school supplies (notebooks, pencils, erasers, folders) will be provided for students to use in school. Parents should review the list of school supplies for additional donations.

SEARCHES

In the interest of student safety and to ensure that schools are drug free, district authorities may conduct searches. Students violate school policy when they carry contraband on their person or in their personal possessions or store contraband in desks, lockers, or vehicles parked on school property. “Contraband” means any unauthorized item, the possession of which is prohibited by school district policy and/or law. If a search yields contraband, school officials will seize the item(s) and, when appropriate, give the item(s) to legal officials for ultimate disposition. Students found to be in violation of this policy are subject to discipline in accordance with the school district’s “Student Discipline” policy, which may include suspension, exclusion, expulsion, and, when appropriate, the student may be referred to legal officials.

LOCKERS AND PERSONAL POSSESSIONS WITHIN A LOCKER []*

Under Minnesota law, school lockers are school district property. At no time does the school district relinquish its exclusive control of lockers provided for students’ convenience. School officials may inspect the interior of lockers for any reason at any time, without notice, without student consent, and without a search warrant.

Students’ personal possessions within a school locker may be searched only when school officials have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practicable after the search of a student’s personal possessions, the school officials will provide notice of the search to students whose lockers were searched, unless disclosure would impede an ongoing investigation by police or school officials.

DESKS

School desks are school district property. At no time does the school district relinquish its exclusive control of desks provided for students’ convenience. School officials may inspect the interior of desks for any reason at any time, without notice, without student consent, and without a search warrant.

PERSONAL POSSESSIONS AND STUDENT’S PERSON

The personal possessions of a student and/or a student’s person may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law or school rules. The search will be reasonable in its scope and intrusiveness.

*VEHICLES ON CAMPUS [**]*

[*] Notice required by statute

[**] Notice required by policy

Patrols and Inspections

School officials may conduct routine patrols of student parking lots and other school district locations and routine inspections of the exteriors of the motor vehicles of students. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.

Search of the Interior of a Student's Motor Vehicle

The interiors of motor vehicles of students in school district locations, including glove or trunk compartments, may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law and/or school policy or rule. The search will be reasonable in its scope and intrusiveness. Such searches may be conducted without notice, without consent, and without a search warrant. A student will be subject to withdrawal of parking privileges and to discipline if the student refuses to open a locked motor vehicle under the student's control or its compartments upon the request of a school official.

STUDENT PUBLICATIONS AND MATERIALS

The school district's policy is to protect students' free speech rights while, at the same time, preserving the district's obligation to provide a learning environment that is free of disruption. All school publications are under the supervision of the building principal and/or sponsor. Non-school-sponsored publications may not be distributed without prior approval.

*DISTRIBUTION OF NON-SCHOOL-SPONSORED MATERIALS ON SCHOOL PREMISES [**]*

The school district recognizes that students and employees have the right to express themselves on school property. This protection includes distributing non-school-sponsored material, subject to school district regulations and procedures, at a reasonable time and place and in a reasonable manner.

The complete District Policy #505 – Distribution of Non-School-Sponsored Materials on School Premises by Students and Employees can be found in the Policy Manual on the district website.

SCHOOL-SPONSORED STUDENT PUBLICATIONS

The school district may exercise editorial control over the style and content of student expression in school-sponsored publications and activities. Faculty advisors shall supervise student writers to ensure compliance with the law and school district policies. Students producing official school publications and participating in school activities will be under the supervision of a faculty advisor and the school principal. "Official school publications" means school newspapers, yearbooks, or material produced in communications, journalism, or other writing classes as part of the curriculum. Expression in an official school publication or school-sponsored activity is prohibited when the material:

- is defamatory;
- is profane, harassing, threatening, or intimidating;
- constitutes an unwarranted invasion of privacy;
- violates federal or state law;
- causes a material and substantial disruption of school activities; or

[*] Notice required by statute

[**] Notice required by policy

- is directed to inciting or producing imminent lawless action on school premises or the violation of lawful school policies or rules.
- advertisement that promotes the purchase of a product or service that is unlawful for purchase or use by minors.

Expression in an official school publication or school-sponsored activity is subject to school district editorial control over the style and content when the school district's actions are reasonably related to legitimate pedagogical concerns. Official school publications may be distributed at reasonable times and locations.

STUDENT RECORDS [*]

Student records are classified as public, private, or confidential. State and federal laws protect student records from unauthorized inspection or use and provide parents/guardians and eligible students with certain rights. For the purposes of student records, an "eligible" student is one who is 18 or older or who is enrolled in an institution of post-secondary education.

The complete District Policy #515 – Protection and Privacy of Pupil Records can be found in the Policy Manual on the district website.

STUDENT SURVEYS [*]

Occasionally, the school district utilizes surveys to obtain student opinions and information about students. For complete information on the rights of parents/guardians and eligible students about conducting surveys, collection, and use of information for marketing purposes, and certain physical examinations, see "Student Surveys" Policy 520.

The complete District Policy #520– Student Surveys can be found in the Policy Manual on the district website.

TRANSPORTATION OF PUBLIC SCHOOL STUDENTS

The school district will provide transportation, at the expense of the school district, for all resident students who live two miles or more from the school. Transportation will be provided on all regularly scheduled school days or make-up days. The school district will not provide transportation for students whose transportation privileges have been revoked or have been voluntarily surrendered by the students' parent or guardian.

EXTRACURRICULAR TRANSPORTATION

All extracurricular transportation arrangements made by a school district employee must be approved by a building administrator. If the school district makes no arrangements for extracurricular transportation, students who wish to participate are responsible for arranging for or providing their own transportation.

VIDEO AND AUDIO RECORDING

[*] Notice required by statute

[**] Notice required by policy

SCHOOL BUSES

All school buses used by the school district shall be equipped for the placement and operation of a video camera. The school district will post a notice in a conspicuous location informing students that their conversations or actions may be recorded. The school district may use a video recording of the actions of student passengers as evidence in any disciplinary action arising from the students' misconduct on the bus.

PLACES OTHER THAN BUSES

The school district buildings and grounds may be equipped with video cameras. Video surveillance may occur in any school district building or on any school district property. Video surveillance will normally not be used in bathrooms or locker rooms, although these areas may be placed under surveillance by individuals of the same sex as the occupants of the bathrooms or locker rooms. Video surveillance in bathrooms or locker rooms will only be utilized in extreme situations, with extraordinary controls, and only as expressly approved by the superintendent.

VISITORS TO SCHOOL DISTRICT BUILDINGS AND SITES

Northland Community Schools encourage interest on the part of the families and community members in school programs and student activities. The school welcomes visits to the school building and school property by families and community members provided the visits are consistent with the health, education, and safety of the students and employees, and are conducted within the procedures and requirements by the school district.

PROCEDURES

Visitors entering Northland Community Schools must report directly to the Office. All visitors must:

- Sign, date, provide location, and record time they have entered the building
- Receive and wear the visitor identification badge
- Prior to leaving the building the visitor must return the visitor identification badge and record the time they are leaving the building.

Unauthorized persons shall not be permitted in school buildings or on school grounds. School administrators are authorized to take appropriate action to prevent such persons from entering buildings or from loitering on grounds.

Visitors to the school are not allowed to interview nor interrogate students at school unless they have written permission from the student's parent/guardian and consent from an administrator.

Visitors who are not employees of ISD 118 shall not be permitted to meet with employees and/or students during the work/school day, except as permitted by the building principal or designee.

PART II – ACADEMICS

GENERAL

CHEATING AND PLAGIARISM

Cheating and plagiarism are prohibited. Students who cheat or commit plagiarism on any test or assignment will be given a failing grade for that test or assignment and will be disciplined in accordance with the school district's "Student Discipline" Policy 506.

EXTENDED SCHOOL YEAR OPPORTUNITIES

The school district provides extended school year opportunities to a student who is the subject of an Individualized Education Program (IEP) if the student's IEP team determines the services are necessary during a break in instruction to provide a free and appropriate public education. For more information on extended school year opportunities for students with an IEP, contact the building principal.

FIELD TRIPS

Field trips may be offered to supplement student learning in which students voluntarily participate and, if so, students who participate may be charged. Students will not be required to pay for instructional trips that take place during the school day, relate directly to a course of study, and require student participation.

- If a field trip is going to happen during school hours and is not related to the school's curricular offerings, parental permission is required.
- Field trips related to the curricular offerings do not need parental permission. Teachers will inform parents when transportation is needed for a field trip.

GRADES

Students' grades will be reported on Quarter and Semester Report Cards or Progress Reports during the year. All high school students will receive Midterm Reports. PreK will receive TSGold reports in the fall and spring. Report cards will be mailed home for review.

HOMEWORK

Homework assignments are made by the teachers. The amount of homework varies by teacher and subject area. The school district asks parents/guardians to encourage their child(ren) to complete homework thoroughly and promptly.

PARENT RIGHT TO KNOW []*

If a parent requests it, the school district will provide information regarding the professional qualifications of his/her child's classroom teachers, including, at a minimum, the following:

1. whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
2. whether the teacher is teaching under emergency or other provisional licensing status through which state qualification or licensing criteria have been waived;

[*] Notice required by statute

[**] Notice required by policy

3. the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree;
4. whether the student is provided services by paraprofessionals and, if so, their qualifications.

In addition, the school district will provide parents with information as to the level of achievement of their child in each of the state academic assessments. The school district will provide notice to parents if their child has been assigned to, or taught for four or more consecutive weeks by, a teacher who is not highly qualified.

PROMOTION AND RETENTION

All students are expected to achieve an acceptable level of proficiency. Students who achieve at an acceptable level will be promoted to the next grade level at the completion of the school year. Retention of a student may be considered when professional staff and parents/guardians feel that it is in the best interest of the student. The superintendent's decision will be final. The district has a variety of services to help students succeed in school.

ELEMENTARY (PRESCHOOL-5TH)

PARTNER'S IN EDUCATION (PIE)

We at Northland Community Schools believe that the responsibility for learning rests within a partnership of parent, student, and teacher.

To facilitate this partnership, we have implemented a program called Partners in Education (PIE). On the first day of the school year (elementary school is not in session), individual teachers and families meet to plan the year for their children. We hope families take advantage of this unique opportunity to share important information about their child directly with their child's teacher. Families are asked what they want their child to gain in the upcoming school year and what is special about their child. Families and teachers then write student goals and sign a compact. Compacts are required for each child in grades K-5. Families will be contacted to schedule their PIE Conference.

RECESS

All students, grades Preschool-5 go outside for recess each day unless there is inclement weather. Please dress your child appropriately for the weather. When the temperature or windchill drops below 0°F, students will not go outside for a full recess. Instead, outdoor playtime may be shortened at the principal's discretion, provided students are wearing appropriate winter clothing.

Dressing for the Weather

As the weather becomes colder or wetter, students are expected to arrive at school dressed for the weather conditions. Please dress your child appropriately for the weather.

HEALTHY CHOICES FOR SCHOOL SNACKS AND LUNCHES

To promote a healthy learning environment for all students, we kindly remind families that only **healthy snacks and school lunches** are permitted. This means packing nutritious foods like fruits, vegetables, whole grains, and lean proteins, and we encourage you to limit sugary drinks, candy, chips, and other highly processed items. We appreciate your cooperation in helping us foster good eating habits and ensure our students have the energy they need to learn and thrive throughout the school day.

COLLEGE IN THE SCHOOLS - CIS

Northland Community Schools has partnered with Central Lakes College with the College in the Schools program.

Qualified students, seniors with a 2.5 or better overall GPA and juniors with a 3.0 or better overall GPA, have the opportunity to earn college credit at Northland High School with Northland High School teachers.

Students interested in the CIS program need to complete the following steps:

1. Complete the CIS application and return it to the Guidance Counselor.
2. Make an appointment to take the ACCUPLACER test either at Central Lake College or Northland High School.

EARLY GRADUATION

Students may be considered for early graduation after meeting the conditions provided in school district policy.

GRADUATION REQUIREMENTS [*]

Students must meet all course credit requirements and graduation standards, as established by the state and the school board, in order to graduate from Northland High School.

Course Credits Required

To receive a diploma, students must successfully complete at least 24 credits and comply with the following high school level course requirements. Under the seven-period day, students must pass at least 6 credits per year to be considered "on track" for graduation.

17.5 required credits

6.5 elective credits

24 credits total

Note: Under the 7-period system, semester grades are issued independently of each other. Therefore, it is possible to pass one semester of a year-long class but fail the other. In cases where a student fails one semester of a required year-long class, he/she will be scheduled to repeat only the semester he/she failed (unless there is a teacher/parent recommendation.)

School District Required and Elective Standards

Students with an individualized education program, Section 504 accommodation plan, or limited English proficiency needs may be eligible for testing accommodations, modifications, and/or exemption. For additional information, see the Guidance Counselor.

Credit Load Rules

Northland High School students are not to attempt more than 5.5 credits in any single academic semester or 11 in any single academic year. A typical NHS student carries a full load consisting of 3.5 credits per semester, or seven credits per year. Students who are behind in credits may utilize supplemental learning opportunities (i.e credit recovery and/or online classes). NHS will continue to accept summer school credits from other districts.

A senior not on track for graduation is allowed to return to high school until he/she reaches the age of 21. Alternatives for such students who do NOT wish to return to NHS for an additional senior year or years include an ALC (Area Learning Center), GED and online learning programs. Any exceptions will require written administrative approval.

High school students are required to maintain full-time status through a combination of in-person, approved work study/release, PSEO concurrent enrollment, and online courses.

Academic Assistance

Teachers are available in the morning from 7:30 am to 8:15 am when not required to attend meetings. Student arranges with teachers. Teachers may work with students during noon (lunch) time on an as-needed basis.

More intensive academic/behavior intervention may be made available on an as-needed basis and as determined by the student's educational team.

HONOR ROLL

[*] Notice required by statute

[**] Notice required by policy

The Principal's List recognizes those students who achieve a 3.5 or higher GPA. The Honor Roll recognizes those with a GPA of 3.0 to 3.49.

GRADING SYSTEM AND REPORT CARDS

Our classes range from one (1) term (9 weeks) up to four (4) terms (entire school year). No credit is given until the class is completed.

The method of calculating grade point averages (GPAs) for students will be based on the following system:

A = 4.00
A- = 3.67
B+ = 3.33
B = 3.00
B- = 2.67
C+ = 2.33
C = 2.00
C- = 1.67
D+ = 1.33
D = 1.00
D- = 0.67
F = 0.00

**Extenuating circumstances may allow a P (a passing grade). The Pass/No Pass system does not affect GPA.

Weighted Grades

The Northland Community Schools Board of Education has adopted a **Weighted Grade Point System** at the High School. The courses to be included and the values assigned to the grades earned in these courses are as follows:

A = 4.50
A- = 4.17
B+ = 3.83
B = 3.50
B- = 3.17
C+ = 2.83
C = 2.50
C- = 1.67
D+ = 1.83
D = 1.50
D- = 1.17
F = 0.00

Courses to be weighted:

- College in the High School Courses
- PSEO Courses

[*] Notice required by statute

[**] Notice required by policy

All Northland High School students enrolled for 50% or more of the time may be ranked.

Modified Grading System

Students with a modified curriculum may be graded using a Modified Grading System. The values assigned to the grades earned in courses under a **Modified Grading System** are as follows:

A = 3.50
A- = 3.17
B+ = 2.83
B = 2.50
B- = 2.17
C+ = 1.83
C = 1.50
C- = 1.17
D+ = 0.83
D = 0.50
D- = 0.17
F = 0.00

The values assigned to the grades earned in courses under a Modified Grading System in **Significantly Modified Classes or Substituted Classes** are as follows:

A = 3.0
A- = 2.67
B+ = 2.33
B = 2.00
B- = 1.67
C+ = 1.33
C = 1.00
C- = 0.67
D+ = 0.33
D = 0.00
D- = 0.00
F = 0.00

Note: Students who are graded on a **Pass/No Pass System** may not be graded on this Modified System as annotated on the Individualized Education Program (IEP) plan.

HONOR GRADUATES

Honor graduates are selected based on their GPA at the end of third quarter of their senior year. Eligibility for Honors requires a minimum cumulative GPA of 3.34 (A average). Honor graduates will be recognized at graduation ceremonies with the wearing of gold codes and recognition in the program.

LOCKERS/LOCKS

All students will be assigned a school locker and a lock. Students will not share lockers or locks. Lockers must be locked during class periods and after school. You may not use your own lock without the principal's permission. Any non-school locks will be cut off and discarded. Do not give out your combination.

ONLINE COURSES

Northland Community Schools shall grant credit for completing the requirements for a Minnesota Department of Education approved online learning course or program. See Guidance Counselor for additional information.

Supplement online learning (taking an online course in place of a local district course) may not exceed 50% of the student's full schedule per term, unless the enrolling district grants permission or if there's an agreement with the provider.

PROCEDURE FOR CHANGING CLASSES

Students are given adequate time to select the courses or their choice. All efforts are made to assign the courses requested. Under no circumstances can a class be dropped or changed without consultation and approval of the Counselor and educational team affected by the change. All such changes must be initiated in the Counseling Office. It is school policy that a course dropped in the first week will in no way appear posted on the student's permanent record. If a course is dropped during the third week or later, an "F" grade will be posted on the student's permanent record for that course.

REPORTS

All students will receive a Midterm Progress Report informing them and their parents of the class work progress at the mid-term of each quarter.

SIXTH, SEVENTH, AND EIGHTH GRADE REQUIREMENTS

The Junior High curriculum consists of the following classes:

- Homeroom (1 year, 1 credit)
- Social Studies (1 year, 1 credit)
- Math (1 year, 1 credit)
- Science (1 year, 1 credit)
- English (1 year, 1 credit)

Rotation Courses:

- Industrial Tech (1 quarter, 1/4 credit)
- Art (1 quarter, 1/4 credit)
- Health (1 quarter, 1/4 credit)
- PE (1 quarter, 1/4 credit)

Electives:

- Band (1 semester, ½ credit)
- Native American Home Economics (1 semester, ½ credit)
- Introduction to Ojibwe (1 year, 1 credit)

- Introduction to Carpentry (1 semester, ½ credit)
- Animation (1 semester, ½ credit)
- Cartooning (1 semester, ½ credit)
- Community Service (1 semester, ½ credit)

TRANSFER STUDENTS

Students transferring into ISD 118 after the first student contact day of their 11th grade year will not be eligible for Valedictorian/Salutatorian. Students who transfer during their 9-10 grade year or prior to the 1st student contact day of their 11th grand year will be eligible for Valedictorian/Salutatorian or High Honors recognition.

PART III – RULES AND DISCIPLINE

ATTENDANCE - DISTRICT POLICY 503[]**

Regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students, and establishes regular habits of dependability. Regular and prompt attendance is a positive habit and should be cultivated as such. Minnesota State Law governs the attendance of pupils and obligates schools to ensure regular attendance.

STUDENT RESPONSIBILITIES

1. Attend each class and arrive to class on time and prepared.
2. Make up required activities, classroom assignments, tests and quizzes within two (2) school days for each day absent unless other arrangements are made with the classroom teacher(s).
3. If you become ill during the day, or if you must leave school for any reason, you must receive permission from the office. If you leave school for any reason without notifying the office prior to leaving, your absence will be regarded as unexcused. Any unexcused absence is considered truancy.

PROCEDURES

If an absence occurs that is not school related, follow these procedures:

1. Notify the attendance office by phone each day your child is absent from school by 10:00 am. Attendance office phone number is 218-566-2351. Please include your child's name, grade, and reason for absence.
 - a. **If a parent/guardian does not call or a signed note is not presented to the attendance office within two (2) school days after the student's return to school, the absence will remain permanently unexcused.**
 - b. To be considered an excused absence, the student's parent or legal guardian may be asked to verify, in writing, the reason for the student's absence from school. **Excused absences will be limited to three (3) days per quarter. Additional days beyond three (3) requires approval by building administrator or designee.**

[*] Notice required by statute

[**] Notice required by policy

REPORTING TRUANCY

Minnesota law requires schools to inform parents/guardians of absences report truancy as follows:

First Step

After three days if the child is in elementary school; or three or more class periods in three days if the child is in middle school, high school, or area learning center, the school will begin an intervention process. School personnel will send a letter to the parent or guardian.

Second Step

After five or more days if the child is in elementary school; five or more class periods if the child is in middle school, high school or area learning center; school personnel will send a letter to the parent or guardian explaining the consequences if the unexcused absences continue. The parent/guardian and student will be invited to participate in an intervention plan.

Third Step

After seven or more days if the child is in elementary school; seven or more class periods if the child is in middle school, high school or area learning center; school personnel will send a letter to families to notify them that the student has met or exceeded 7 days of unexcused absences and is classified as habitual truant. County, Tribal, and appropriate Social Services will be notified and provided documentation.

COMPULSORY SCHOOL ATTENDANCE PROCEDURE

Step One

After 3 unexcused absences school personnel will send a letter to families detailing the truancy status.

Step Two

After 7 or more unexcused absences the Principal will send a certified letter to families to notify them that the student has met or exceeded 7 days of unexcused absences and is classified as habitual truant. County, Tribal, or appropriate Social Service will be notified and provided documentation.

The complete District Policy #503 – Student Attendance can be found in the Policy Manual on the district website.

BULLYING PROHIBITION [*]

The school district is committed to providing a safe and respectful learning environment for all students. Acts of bullying, in any form, by either an individual student or a group of students, are prohibited on school district property, at school-related functions or activities, on school transportation, and by misuse of technology.

The complete District Policy #514 - Bullying Prohibition can be found in the Policy Manual on the school website.

BUSES – CONDUCT ON SCHOOL BUSES AND CONSEQUENCES FOR MISBEHAVIOR []**

Riding the school bus is a privilege, not a right. The school district's general student behavior rules are in effect for all students on school buses, including nonpublic and charter school students. The school district will not provide transportation for students whose transportation privileges have been revoked.

The school district is committed to transporting students in a safe and orderly manner. To accomplish this, student riders are expected to follow school district rules for waiting at a school bus stop and for riding on a school bus.

All students are expected to follow:

EAGLE PRIDE BUS BASICS

**Seat on the Seat
Back on the Back
Feet Toward the Floor
No Eating or Drinking
Kind & Quiet Voices
Check Floor & Seat for Belongings**

While waiting for the bus or after being dropped off at a school bus stop, all students must comply with the following rules:

- Get to the bus stop five minutes before your scheduled pick-up time. The school bus driver will not wait for late students.
- Respect the property of others while waiting at the bus stop.
- Keep your arms, legs, and belongings to yourself.
- Use appropriate language.
- Stay away from the street, road, or highway when waiting for the bus.
- Wait until the bus stops before approaching the bus.
- After getting off the bus, move away from the bus.
- If you must cross the street, always cross in front of the bus where the driver can see you. Wait for the driver to signal to you before crossing the street.
- No fighting, harassment, intimidation, or horseplay.
- No use of alcohol, tobacco, or drugs.

While riding a school bus, all riders must comply with the following rules:

- Follow the driver's directions at all times.
- Remain seated facing forward while the bus is in motion.
- Talk quietly and use appropriate language.
- Keep all parts of your body inside the bus.
- Keep arms, legs, and belongings to yourself and out of the aisle.
- No fighting, harassment, intimidation, or horseplay.
- Do not throw any object.
- No eating, drinking, or use of alcohol, tobacco, or drugs.
- Do not bring any weapons or dangerous objects on the school bus.

[*] Notice required by statute

[**] Notice required by policy

- Do not damage the school bus.

Consequences for school bus/bus stop misconduct will be imposed by the school district under administrative discipline procedures. All school bus/bus stop misconduct will be reported to the school district's transportation safety director. Serious misconduct may be reported to local law enforcement.

The complete District Policy #709 -Student Transportation Safety can be found in the Policy Manual on the school website.

CELL PHONES AND OTHER ELECTRONIC COMMUNICATION DEVICES

The primary goal of this updated policy is to foster a focused, distraction-free learning environment and to ensure the safety and privacy of all students at Northland Community Schools. We believe that minimizing the presence of cell phones and other electronic devices during school hours will significantly enhance our student's educational experience. This policy outlines the appropriate use of cell phones, Bluetooth earbuds, smartwatches, and personal electronic devices within the school premises.

- Student cell phones and other personal electronic devices capable of communication, such as those used for texting, answering, and receiving calls, are not permitted in classrooms, hallways, during lunch, during recess, or bathrooms during the school day.
- If students bring cell phones, Bluetooth earbuds, smartwatches, and/or personal electronic devices capable of communication, such as texting, answering, and receiving calls, to school, they must be placed on silent or turned off and stored in designated technology lockers from the beginning of the school day until the end of the school day.
- These items can and will be confiscated by staff members and taken to the office if they are not stored in the designated technology lockers.

CONSEQUENCES OF VIOLATING CELL PHONE POLICY

Students who use an electronic communication device during the school day and/or in violation of school district policies may be subject to disciplinary action pursuant to the school district's discipline policy. In addition, a student's cell phone or electronic communication device may be confiscated by the school district and, if applicable, provided to law enforcement. Cell phones or other electronic communication devices that are confiscated and retained by the school district will be returned in accordance with school building procedures.

- **First Offense** (minor) – The device will be confiscated by the staff member, brought to the office to be stored in the designated technology locker, and returned to the student at the end of the day. A minor referral will be issued to the student and parents/guardians will be notified.
- **Second Offense** (major) – The device will be confiscated by the staff member, brought to the office to be stored in the designated technology locker, and will be returned only to the parent or guardian. A major referral will be written, and administration will conference with the student and communicate with parents/guardians about future violations.
- **Any further infractions** (major) –The device will be confiscated by the staff member, given to administration, and documented as a major referral. The phone will be returned only to a parent or guardian and a student parent/guardian meeting will take place to discuss the violation and create a

plan for the student. Detention, suspension, and/or MSHSL code of conduct consequences will be discussed and assigned.

SEARCHING OF CELL PHONES

If the school district has a reasonable suspicion that a student has violated a school rule or law by use of a cell phone or other electronic communication device, the school district may search the device. The search of the device will be reasonably related in scope to the circumstances justifying the search.

The complete District Policy #524.1 - Student Cell Phones can be found in the Policy Manual on the school website.

DISCIPLINE [*]

Misbehavior by one student can disrupt the learning process for many other students. In addition, students must learn to practice good safety habits, value academic honesty, respect the rights of others, and obey the law. Students will have the discipline policy explained to them during the first full week of each school year.

POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORTS (PBIS)

The goal of PBIS (Positive Behavioral Interventions and Supports) is to increase academic achievement and foster the social development of all students. It is a school-wide framework for helping all students achieve important social and learning goals. Rather than focusing on the response or consequences when misbehavior occurs, this approach introduces and models behavior expectations, and then recognizes students when the positive social behaviors occur.

The purpose of PBIS is to establish a school climate in which appropriate behavior is the norm.

Expectations for behavior are clearly posted throughout the building, school grounds, buses, and for all school related activities. A common language has been developed for everyone including students, administration, teachers, support staff, bus drivers, paraprofessionals, and guests. A system has been established to recognize students for their positive behavior, academics, and attendance on a weekly, quarterly, and semester basis. The following four behavior expectations have been established for all areas of Northland Community Schools:

EAGLE PRIDE, SCHOOL WIDE

Be Responsible

Be Respectful

Be Productive

Be Safe

Independent School District 118 asks for parental support in this endeavor. Talk with your children about these important school wide expectations. Please, contact staff or administration with any questions or comments you may have. Thank you for helping us build Eagle Pride, School Wide.

Major Discipline Referrals and Eagle Pride Matrixes are located in the Appendix.

SPECIAL SITUATIONS

The disciplinary action described herein will be applied equally to all students.

- Students who do not show a change in behavior when dealt with according to the consequences established by the school shall be subject to progressive interventions to meet the student's needs.
- Students in Special Education shall be subject to all of the parts of the discipline policy unless a special plan is written in their Individual Education Plan (IEP). That plan shall then become the guideline for their behavior and shall specify consequences for misbehavior. This plan will be monitored for appropriateness. If needed, a team meeting may be held to review and potentially modify the student's needs and supports offered.

STUDENT SUPPORT PROCESS

First, staff strives to build relationships with your students and work to prevent situations where he/she could escalate. When students trust that their teacher cares about them, they will be more likely to want to work with their teacher to solve a problem.

If behaviors disrupt the learning of others and cannot be solved by the classroom teacher's attempts, additional adults outside of the classroom may offer assistance.

Determine whether it is a **minor** or **major** behavior based off of the Major Discipline Guidelines.

MINORS - Follow Classroom Management Procedures Below

RESPONSE 1: Verbal or visual reminder of expectation or redirection

RESPONSE 2: In Classroom "TAKE A BREAK" – This must be proactively taught on the first day of school and throughout the year.

- THIS IS NOT A PUNISHMENT! This is an opportunity for the student to practice pre-taught coping strategies in order to regulate their brain so that they are prepared to return to learning.
- Your tone of voice will tell the student whether this is a punishment or opportunity. Let it be an opportunity.
- Have a tool kit in the "Take a Break" space with fidgets, books, and visuals to guide students through independent self regulation.
- Quickly, neutrally, calmly and directly tell the student to "take a break"
 - The first break is student directed in which they can return to the group when they feel they are ready
 - The second break is teacher directed – the student stays in the break area until the teacher goes over and respectfully processes what happened and what the student's plan is and then invites them back

RESPONSE 3: BUDDY ROOM - Must be proactively taught

- Have previously established partnerships with other teachers in your area that can act as buddy rooms.
- Send a student to the Buddy Room with the Buddy Room pass.
 - Expected time to spend in Buddy Room (no longer than 10-15 minutes)

[*] Notice required by statute

[**] Notice required by policy

- This is another opportunity for the student to regulate, take a break, and make a plan
- Buddy Room teacher or Para
 - Check in with the student before they go back to class.
- If student refuses to go to Buddy Room, the classroom teacher calls Support Room

RESPONSE 4: SUPPORT ROOM

- Reporting staff will call Support Room Staff to advise that a student is coming with details about behavior. (Never send a student without talking to the support room staff first.)
- Send the student to the support room (If a student refuses to leave the room, call back to the support room so they can help assist or find someone to help assist.)
- The support staff will process the issue and develop a restorative plan with the student as needed. Students and support room staff will fill out the minor processing form. Support Room Staff will place a pink copy in the teacher's box by the end of the day for their records.
- **When determined by Support Room Staff**, the student will return to class after support staff notifies the classroom teacher.
- **Teachers are strongly encouraged to inform parents/guardians of the minor and restorative plan.**
- Teachers will communicate with parents/guardians during a conference a summary of student's access to additional support.
- If a pattern of minor behaviors occur (3 minors in a day or in a week) equals a Major Discipline (follow procedures below).

MAJORS - **Follow Procedures Below:**

- Reporting staff will call the Support Room. The Support Staff will take the needed steps to minimize immediate behaviors, notify the Administration and/or take needed steps to minimize immediate behaviors.
- Support Room staff will fill out the Teacher/Staff portion of the Major form.
- The Administrator/Office will be notified there is a student with a Major. If the student is in control of their behavior and it is not an emergency, the student will be sent back to class and administration will process the Major with them as soon as possible. If the student is not able to go back to class they will stay in the support room until an administrator can process the Major with them.
- The administrator determines consequence and/or intervention as defined in the policy.
- Administrator completes bottom section Major.
- Administrator contacts parents/guardians about the incident and consequences.
- The completed copy of the Major form will go to the office for entry into Campus, a copy will be filed in the support room, a copy will be mailed home, and a copy will be put in the referring teacher's mailbox. Please keep these forms in a confidential location.

RETURNING TO CLASS

- The student may return to class after a conference with the appropriate administrator, teacher, and/or parent(s)/guardian(s).
- At the time of this conference, a plan of action will be established.

DRESS AND APPEARANCE

Students are encouraged to be dressed appropriately for school activities and in keeping with community standards.

Appropriate clothing includes, but is not limited to, the following:

- Clothing appropriate for the weather.
- Clothing that does not create a health or safety hazard.
- Clothing appropriate for the activity (i.e., physical education or the classroom).

Inappropriate clothing includes, but is not limited to, the following:

- Clothing must cover skin and undergarments from one armpit across to the other armpit, down to approximately 3 to 4 inches in length on the upper thighs (see image).

- Clothing (including emblems, badges, symbols, signs, words, objects or pictures on clothing or jewelry) bearing a message that is lewd, vulgar, obscene, libelous, or denigrates, harasses, discriminates against others on the basis of protected class status under the Minnesota Human Rights Act, or violates school district policies prohibiting discrimination, violence, harassment, or other harmful activities.
- Apparel promoting products or activities that are illegal for use by minors.
- Communicating a message that is racist, sexist, or otherwise derogatory to a protected minority group, or approves, advances, or provokes any form of religious, racial, or sexual harassment and/or violence against other individuals as defined in Policy 413.
- Any apparel or footwear that would damage school property.

[*] Notice required by statute

[**] Notice required by policy

- Headgear, including hats or headcoverings, is not to be worn in the building except with the building principal's approval (i.e., student undergoing chemotherapy, medical situations, student religious practice or belief).

If the administration believes a student's appearance, grooming, or mode of dress interferes with or disrupts the educational process or school activities or poses a threat to the health or safety of the student or others, the student will be directed to make modifications or will be sent home for the day. A parent or guardian will be notified.

The complete District Policy #504 - Student Dress and Appearance can be found in the Policy Manual on the school website.

DRUG-FREE SCHOOL AND WORKPLACE

The possession and use of alcohol, controlled substances, and toxic substances are prohibited at school or in any other school location before, during, or after school hours. Paraphernalia associated with controlled substances also is prohibited. The school district will discipline or take appropriate action against anyone who violates this policy.

District policy is not violated when a person brings a controlled substance that has a currently accepted medical treatment use onto a school location for personal use if the person has a physician's prescription for the substance except marijuana is not allowed on school property even if prescribed. Students who have prescriptions must comply with the school district's "Student Medication" policy. The school district will provide an instructional program in every elementary and secondary school on chemical abuse and the prevention of chemical dependency.

The complete District Policy #418 - Drug-Free Workplace/Drug-Free School can be found in the Policy Manual on the school website.

HARASSMENT AND VIOLENCE PROHIBITION [*]

The school district strives to maintain a learning and working environment free from harassment and violence on the basis of race, color, creed, religion, national origin, sex, age, marital status, familial status, status with regard to public assistance, sexual orientation, or disability (Protected Class). The school district prohibits any form of harassment or violence on the basis of Protected Class. The school district will act to investigate all complaints, either formal or informal, verbal or written, of harassment or violence based on a person's Protected Class, and to discipline or take appropriate action against any student, teacher, administrator, or other school district personnel found to have violated this policy.

The complete District Policy #413 – Harassment and Violence can be found in the Policy Manual on the school website.

HAZING PROHIBITION [*]

[*] Notice required by statute

[**] Notice required by policy

Hazing is prohibited. No student will plan, direct, encourage, aid, or engage in hazing. Students who violate this rule will be subject to disciplinary action pursuant to the school district's "Student Discipline" policy.

The complete District Policy #526 – Hazing Prohibition can be found in the Policy Manual on the school website.

INTERNET ACCEPTABLE USE AND SAFETY

All school district students have conditional access to the school district's computer system, including Internet access, for limited educational purposes, including use of the system for classroom activities, educational research, and professional and career development. Use of the school district's system is a privilege, not a right. Unacceptable use of the school district's computer system or the Internet may result in one or more of the following consequences: suspension or cancellation of use or access privileges; payments for damages and repairs; discipline under other appropriate school district policies, including, but not limited to, suspension, expulsion, or exclusion; or civil or criminal liability under other applicable laws.

The complete District Policy #524 – Internet Acceptable Use and Safety can be found in the Policy Manual on the school website.

Within 30 days of the start of each school year, the school district must give parents and students direct and timely notice, by United States mail, e-mail, or other direct form of communication, of any curriculum, testing, or assessment technology provider contract affecting a student's educational data. The notice must:

1. identify each curriculum, testing, or assessment technology provider with access to educational data;
2. identify the educational data affected by the curriculum, testing, or assessment technology provider contract; and
3. include information about the contract inspection and provide contact information for a school department to which a parent or student may direct questions or concerns regarding any program or activity that allows a curriculum, testing, or assessment technology provider to access a student's educational data.

The school district must provide parents and students an opportunity to inspect a complete copy of any contract with a technology provider.

Students will receive a copy of the school district's "Internet Acceptable Use" policy and are expected to understand and agree to abide by the policy as a condition of use of the school district's computer system. All students who wish to use the school district's computer system must sign the Internet Use Agreement form annually.

Children's Online Privacy Protection Act (COPPA) Privacy Notice & Authorization and Parent-Student-School Technology Compact are located in the Appendix.

PARKING ON SCHOOL DISTRICT PROPERTY

STUDENTS

[*] Notice required by statute

[**] Notice required by policy

The school district allows limited use and parking of motor vehicles by students in school district locations subject to the following rules:

- Parking a motor vehicle on school property during the school day is a privilege, not a right;
- Parking is permitted in designated areas only;
- Students are not permitted to use motor vehicles during the school day in any school district locations unless an emergency occurs and permission has been granted to the student by administration;
- Unauthorized vehicles parked on school district property may be towed at the expense of the owner or operator.

School officials may conduct routine patrols of school district locations and routine inspections of the exteriors of the motor vehicles of students. In addition, the interiors of motor vehicles of students in school district locations may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law and/or school policy or rule. If a search yields contraband, school officials will seize the item and may turn it over to legal officials for ultimate disposition when appropriate. A student who violates this policy may be subject to withdrawal of parking privileges and/or discipline according to the school district's "Student Discipline" policy.

VISITORS

Visitors are permitted to park in designated school district visitor parking areas. Unattended vehicles left in other locations on school district property may be towed at the owner's expense.

TOBACCO-FREE SCHOOLS; POSSESSION AND USE OF TOBACCO, TOBACCO-RELATED DEVICES, AND ELECTRONIC DELIVERY DEVICES; VAPING AWARENESS AND PREVENTION INSTRUCTION []**

School district students and staff have the right to learn and work in an environment that is tobacco free. School policy is violated by any individual's use of tobacco, tobacco-related devices, or carrying or using activated electronic delivery devices in a public school, on school grounds, in any school-owned vehicles, or at any school events or activities. Students may not possess any type of tobacco, tobacco-related devices, or electronic delivery devices in a public school, on school grounds, in any school-owned vehicles, or at any school events or activities. Any student who violates this policy is subject to school district discipline.

The complete District Policy #419 – Tobacco-Free Environment; Possession And Use Of Tobacco, Tobacco-Related Devices, And Electronic Delivery Devices; Vaping Awareness And Prevention Instruction can be found in the Policy Manual on the school website.

VANDALISM

Vandalism of any district property is prohibited. Violators will be disciplined and may be reported to law enforcement officials.

[*] Notice required by statute

[**] Notice required by policy

WEAPONS PROHIBITION

No person will possess, use, or distribute a weapon when in a school location except as provided in school district policy. A “weapon” means any object, device, or instrument designed as a weapon or through its use is capable of threatening or producing bodily harm or which may be used to inflict self-injury including, but not limited to, any firearm, whether loaded or unloaded; airguns; pellet guns; BB guns; all knives; blades; clubs; metal knuckles; numchucks; throwing stars; explosives; fireworks; mace and other propellants; stunguns; ammunition; poisons; chains; arrows; and objects that have been modified to serve as a weapon. A weapon also includes look-alike weapons. Appropriate discipline and action will be taken against any person who violates this policy. The school district does not allow the possession, use, or distribution of weapons by students. Discipline of students will include, at a minimum: immediate out-of-school suspension; confiscation of the weapon; immediate notification of police; parent or guardian notification; and recommendation to the superintendent of dismissal for a period of time not to exceed one year. The building principal shall, as soon as practicable, refer to the criminal justice or juvenile delinquency system, as appropriate, a student who brings a firearm to school unlawfully.

The complete District Policy #501 – School Weapons can be found in the Policy Manual on the school website.

PART IV — HEALTH AND SAFETY

ACCIDENTS

All student injuries that occur at school, at school-sponsored activities, or on school transportation should be reported to the nurse’s office. Parents/guardians of an injured student will be notified as soon as possible. If the student requires immediate medical attention, the principal or other district leader will call 911 or seek emergency medical treatment and then contact the parent(s).

ASBESTOS MANAGEMENT PLAN [*]

The school district has developed an asbestos management plan. A copy of this plan is available on the district’s website.

CRISIS MANAGEMENT

The school district has developed a “Crisis Management” policy. Students and parents will be provided with information as to district- and school-specific plans.

The “Crisis Management” policy addresses a range of potential crisis situations in the school district. The school district has developed general crisis procedures for securing buildings, classroom evacuation, campus evacuation, sheltering, and communication procedures. The school district will conduct lock-down drills, fire drills, tornado drills, shelter drills, and evacuation procedures.

STANDARDS RESPONSE PROTOCOL

The Standard Response Protocol (SRP) is based on the response to any given situation not on individual scenarios. SRP incorporates a specific vocabulary but also allows for great flexibility. The premise is simple – these five specific actions that can be performed during an incident. When communicating these, the action is labeled with a “Term of Art” and is then followed by a “Directive.” Execution of the action is performed by active participants.

Hold is followed by the Directive: “**In Your Room or Area**” and is the protocol used when hallways need to be kept clear of occupants.

Secure is followed by the Directive: “**Get Inside. Lock Outside Doors**” and is the protocol used to safeguard people within the building.

Lockdown is followed by “**Locks, Lights, Out of Sight**” and is the protocol used to secure individual rooms and keep occupants quiet and in place.

Evacuate and may be followed by a location and is used to move people from one location to a different location in or out of the building.

Shelter State the **Hazard** and **Safety Strategy** for group and self-protection.

HEALTH INFORMATION

FIRST AID

The nurse’s office is equipped to handle minor injuries requiring first aid. If the nurse’s office is not open, assistance can be sought from the administrative office. If a student experiences a more serious medical emergency at school, 911 will be called and/or a parent/guardian will be contacted depending on the situation.

The district has installed automated external defibrillators (AEDs) throughout the building. Tampering with any AED is prohibited and may result in discipline.

COMMUNICABLE DISEASES

To protect other students from contagious illnesses, students infected with certain diseases are not allowed to come to school while contagious. If a parent or guardian suspects that his/her child has a communicable or

[*] Notice required by statute

[**] Notice required by policy

contagious disease, the parent or guardian should contact the school nurse or principal so that other students who might have been exposed to the disease can be alerted.

Students with certain communicable diseases will not be excluded from attending school in their usual daily attendance settings as long as their health permits and their attendance does not create a significant risk of transmitting the illness to other students or school district employees. The school district will determine on a case-by-case basis whether a contagious student's attendance creates a significant risk of transmitting the illness to others.

CONJUNCTIVITIS (PINK EYE)

Conjunctivitis, commonly known as pink eye, is an inflammation of the thin transparent layer of tissue that lines the inner surface of the eyelid and covers the white part of the eye. This leads to redness and soreness of the eye, often caused by viruses or allergies. Other causes of conjunctivitis include bacterial infections and irritation from chemicals. Students do not need to be excluded from school unless the student has a fever or is not healthy enough to participate in routine activities. Antibiotics or a note from a health care provider are not required. The American Academy of Pediatrics recommends considering conjunctivitis like the common cold- both diseases are easily spread among children and both resolve without treatment.

HEAD LICE

Northland Community Schools has a live head lice procedure. If your child is found with live head lice, families will be notified, and the child will be sent home. Your child will need to be treated before they return to school, and he/she will be checked upon return to school.

HEALTH EMERGENCY

Please make sure that the school has your current home phone number, your work number (both parents if they work), and the number of a friend or relative you will permit to take charge of your child if he/she is sick or injured. Depending on the severity of the illness or accident, medical services may be contacted prior to contacting families. Your child will be sent to the nearest medical services by Ambulance.

HEALTH SERVICE

The student health office is staffed once a week by a licensed school nurse. Office staff are available for injuries needing first aid and illnesses that require students to leave the classroom.

Students experiencing minor injuries or illnesses should always report to their teacher *before* leaving the classroom to go to the office. If it becomes necessary for the student to go home, the parents/guardian will be contacted through the school office. Students will not be allowed to go home until the parents have been contacted.

- Students too ill to return to class will be sent home. Parents/guardians will be called and have the responsibility to transport the student home.
- Students who present with any communicable illness or conditions such as vomiting, diarrhea, or fever greater than 100 degrees will be sent home.

[*] Notice required by statute

[**] Notice required by policy

A parent/guardian should notify the school if his/her child is unable to attend school because of illness.

IMMUNIZATIONS

All students must provide proof of immunization or submit appropriate documentation exempting them from such immunizations in order to enroll or remain enrolled. Students may be exempted from the immunization requirement when the immunization of the student is contraindicated for medical reasons; laboratory confirmation of adequate immunity exists; or due to the conscientiously held beliefs of the parents/guardians or student. For a copy of the immunization schedule or to obtain an exemption form or information, contact the nurse's office.

MEDICATIONS AT SCHOOL DURING THE SCHOOL DAY

The school district acknowledges that some students may require prescribed drugs or medication during the school day.

Prescription Medication

- You must provide the school with written authorization and a statement from a licensed physician when requesting that medication be administered during the school hours.
- *Administration of Prescription Medications Forms* are available in the offices and on the school's website.
- A new form needs to be filled out once per year, or when a prescription is changed.
- Prescription medication must come to school in the original container appropriately labeled for the student by the pharmacy and be brought to school by the parent/guardian and left with the office secretary.
- Prescription medications are not to be carried by the student but will be left with the appropriate school personnel.
 - Exceptions that may be allowed include: prescription asthma medications administered with an inhaler pursuant to school district policy and procedures, medications administered as noted in a written agreement between the school district and parent or as specified in an Individualized Education Program (IEP), a plan developed under Section 504 of the Rehabilitation Act (504 Plan), or an individual health plan (IHP).
- Marijuana is not allowed on school property even if prescribed.

Non-Prescription Medications

- Non-prescription medications must come in the original container.
- Students in grades 9-12 may possess and use non-prescription pain relief if authorized yearly by the student's parent or guardian. The forms are available in the offices and on the school's website.

[*] Notice required by statute

[**] Notice required by policy

SPECIAL HEALTH CIRCUMSTANCES

Students who are under a doctor's care and need to be excused from an activity and/or classes need to present a written excuse signed by a licensed physician.

Appendix

Appendix A Annual Integrated Pest Management Pesticide Notification [*]

Northland Community Schools uses licensed, professional pest control firm for the prevention and control of rodents, insects, and other pests in and around the district's buildings.

Pests can sting, bite, cause contamination, damage property and spread disease; therefore, we must prevent their presence and control them as necessary. The district or outside contractors may also apply herbicides on district properties, as deemed necessary. The long-term health effects on children from the application of such pesticides may not be fully understood. All pest control materials are chosen and applied according to labeling directions per Federal law.

To limit the potential pesticide exposure, the district follows safety regulations to ensure pesticides are applied properly. All pesticide products, which are used in and around school buildings, are required to be registered with the Minnesota Department of Agriculture and the U.S. Environmental Protection Agency. In addition, school employees and certified and licensed applicators are required by state and federal law to comply with all requirements of the pesticide label, including building sites, application rates, re-entry intervals, posting, use of personal protective equipment, use restrictions, and disposal on the product label. An estimated schedule of pesticide applications is available for review or copying at the district office.

To be notified about pesticide applications or the management plan, please contact Lead Custodian with Northland Community Schools at (218) 566-2351 ext. 32037.

Appendix B AHERA Annual Asbestos Notification

During the past school year and continuing into the 2024-2025 school year the following asbestos management plan activities have been or are currently being completed, pursuant to the Environmental Protection Agency 40 CFR Part 763- "Asbestos Containing Materials in Schools; Final Rule and Notice."

ACTIVITIES SCHEDULED FOR 2024-25

- Periodic surveillance of building materials
- Training of District Personnel

Northland Community Schools has contracted through the Institute for Environmental Assessment (IEA) to provide Environmental, Health and Safety consulting services, including being involved in the above listed activities.

The complete updated Asbestos management plan can be found in the maintenance office.

Any questions concerning this notice, or an explanation of our Asbestos Management Plan can be directed to Lead Custodian, with Northland Community Schools at (PH218) 566-2351 ext. 32037.

Appendix C Indoor Air Quality Annual Notification

Northland Community Schools has an Indoor Air Quality (IAQ) management plan. The management plan outlines specific policies and procedures that will be used in the district to address indoor air quality issues. IEA, the District's health and safety consultant completes annual IAQ assessments within the school to ensure proper air quality.

Any questions concerning this notice or an explanation of our IAQ Management Plan can be directed to Lead Custodian with Northland Community Schools at (218) 566-2351 ext. 32037.

Appendix D Lead-in-Water Annual Notification

Minnesota Statute 121A.335 requires public school buildings serving prekindergarten through grade 12 to test for lead in water every 5 years. Northland Community Schools conducts Lead in Drinking Water testing per the Minnesota Department of Health guidelines.

For more information on ST##P1 lead reduction program and testing results, please contact Lead Custodian with Northland Community Schools at (218) 566-2351 ext. 32037.

Appendix G Children's Online Privacy Protection Act

Northland Community Schools ISD 118 Children's Online Privacy Protection Act (COPPA) Privacy Notice & Authorization

Northland Community Schools ISD 118 is committed to providing your student with the most effective digital curriculum for learning. The Children's Online Privacy Protection Act (COPPA), a federal law, requires parental notification and consent for student use of district approved online resources for instructional purposes for students under 13 years of age. The law permits schools to act as the parent's agent and can consent to the collection of student information on the parent's behalf with parent permission.

Northland Community Schools uses many different software applications and web-based services, operated by third party service providers. As with any educational undertaking, a strong partnership with families is essential to our success. In order for our students to use these programs and services, certain personal identifying information must be provided to the website operator. This information can include, but is not limited to the student's name, teacher's name, grade, birthday, and Email address/login. The District will only provide the minimum amount of information required.

Under Federal law, entitled The Children's Online Privacy Protection Act (COPPA), these application and websites must provide parental notification and obtain parental consent before collecting personal information from children under the age of 13. The law permits school districts to consent to the collection of personal information on behalf of all of its students, thereby eliminating the need for individual parental consent given directly to the website operator. A list of the possible sites to be used in our classrooms, with links to their privacy policies and terms of service, can be obtained by clicking on the COPPA Compliant List link at the bottom of this document.

At a minimum, all Northland Community Schools ISD 118 District students will be assigned a network login that will provide basic system access.

I understand that my consent is required in accordance with the Children's Online Privacy Protection Act (COPPA). I agree to the release of personally identifiable information regarding my child. I must complete and return this consent form before the District can allow my child to access any application or websites listed in the COPPA Compliant List. I further understand that my consent is required for disclosure of this information and I may revoke this consent at any time, upon providing written notice to Northland Community Schools ISD 118 District. I understand that, until this revocation is made, this consent shall remain in effect for the applications or web services on the compliance list below.

Appendix H Parent-Student-School Technology Compact

School Owned Device Policies & Guidelines

Parent-Student-School Technology Compact

Since 2013 Northland Community School District has maintained a one-one device policy for students in grades 1-12 with the device limited to school use only. Beginning in the 2019-2020 school year students in grades 10-12 will have the opportunity to take the device home to continue to work on school assignments. Take-home devices for students in grades 10-12 will be distributed to students after parents and students attend a device care session and necessary forms are signed. Students will be issued a device and this device will be the one issued to them every year until their device is due for replacement. Students in grades 1-9 will be cart-based and the device will stay in school. The district remains the owner of the device, but the student is responsible for caring for it, much like other district issued equipment like books and athletic equipment.

Chargers: Only one charger will be provided by the district for the life of the student's device. The district will not replace lost or damaged chargers. Chargers may be purchased in the high school media center. Students in grades 10-12 opting in on the device take home-policy will be issued a charger at the beginning of the year and the charger will be collected at the end of each year.

Damages: Students and families will be responsible for maintaining the device in operating condition, which may include repair or replacement charges. Some repairs can be done in the technology department, but any repair costs must be paid in full before a device will be repaired. Loaner devices may be available while the device is being repaired. Students will not be allowed to take a loaner device out of the building.

Insurance: There will be no insurance option offered through the school district, but parents/guardians may purchase their own insurance through a third-party vendor such as Worth Ave Group or Square Trade.

Return: At the end of each year, students in grades 10-12 will return the device and charger back to the district. In the fall, the same device will be returned to the student in the condition in which it was turned in. If the device is not returned at the end of the year the parent/guardian will be held responsible for payment in full.

At the end of the device's life, families will have the option to purchase the device or return the device to the district. In the event that no device is returned at the end of the device's life or the device has lost all value due to damage, the family will be required to pay the amount equal to the cost of purchasing the used device.

Acceptable Use

The use of the Northland Community School District's technology resources is a privilege, not a right. The privilege of using the technology resources provided by the Northland Community School District is not transferable or extendible by students to people or groups outside the district and terminates when a student is no longer enrolled in the Northland Community School District. This policy is provided to make all users aware of the responsibilities associated with efficient, ethical, and lawful use of technology resources. If a person violates any of the User Terms and Conditions named in this policy, privileges may be terminated, access to the school district technology resources may be denied, and the appropriate disciplinary action shall be applied. The Northland Community School District's *Acceptable Use Policy* as well as the Student Handbook shall be applied to student infractions.

Access to the technology in the Northland Community Schools District has been established for educational purposes. The use of the Northland Community School District's electronic technologies is a valued resource to our community. All electronic technologies must be used in support of the educational program of the District. This access may be revoked at any time for abusive or inappropriate conduct related to the use of electronic technologies. Failure to comply with the District's Bullying Prohibition Policy (#514), Internet Acceptable Use Policy (#524), the Student use of Cellular Phones (#360), or the guidelines stated in this document for care and use of the school owned device may result in the loss of privilege.

The school-owned device is the property of Northland Community Public Schools and as a result may be seized and reviewed at any time. The student should have NO expectation of privacy of materials found on a school-owned device.

Violations may result in disciplinary action up to and including suspension/expulsion for students. When applicable, law enforcement agencies may be involved.
