Senior Trip:

Accommodations:

Students will be staying at Disney's All-Star Resort in Orlando, Florida, right in the heart of the magic! Each room features two queen-size beds and will comfortably accommodate four students (two per bed). Since our days will be packed with exciting activities and late-night fun, the rooms will primarily serve as a place to relax, freshen up, and rest before we head out early the next morning for another adventure-filled day.

Parks:

We'll visit all four Disney World parks, allowing students to experience a little bit of everything, from rides and shows to the magic that makes Disney so special. Each day at Disney, students will receive two meal vouchers that cover a main course, a side, and a drink, making meals easy and taken care of.

We'll also spend time at Universal Studios and Islands of Adventure, where students will get a food and beverage card to use during the day.

It's going to be a busy three days, packed with fun, laughter, and plenty of adventures to remember!
