WHY WE FUNDRAISE

The programs our kids love—STEAM, music, PE, Spanish, garden, and more—aren't fully funded by the State. Each year, we work to raise \$150,000 to keep these joyful, enriching experiences going at Cardiff Elementary and Ada Harris School. Just \$1 a day—\$365 per student—would get us all the way there. With your support, our kids get the education and experiences that they deserve.
