

CARDIFF SCHOOLS EDUCATION ASSOCIATION

Enriching our children, schools, and community.

WHAT IS THE CARDIFF SEA?

We are a community of parent volunteers, teachers, and staff that work together to improve the experience of all children in the Cardiff School District – primarily through fundraising. Each year, the Cardiff Schools Education Association (the SEA) funds vital academic programs and helps to build a strong school community through events and family involvement.

Our first SEA Rep meeting will be held in the Cardiff MPR on 9/16 at 6 PM.
