Science, Technology, Engineering, and Math (STEM) Grant for Website

• I have not included any identifying information such as, my school's name, mascot, school acronym or teacher names on the application portion.
• This grant does not ask the Foundation to fund the following: food, bus transportation, salaries for speakers or substitute teachers, alternative seating, furniture or clothing items
• I understand that all grant requests for technology must include the appropriate approval form I-137 and all books must align with Policy-IIAB, S-Reg.- IIAB as well as SOP-Identification of Instructional Materials with Sexually explicit content. Please direct any questions to the Instruction Department.
• I understand that once I submit my application, it will be sent to the Instruction Department for review before it is presented to the selection committee.
• All information contained in this application is correct.
• I grant the right to The York Foundation for Public Education, Inc. (YFPE) to use my report and any product from the project for public information.
• All names on this application authorize the YFPE to reproduce and/or publish picture(s) or likeness(es) for the promotion of YFPE programs. I understand that I will not be reimbursed in cash or in kind now or in the future.
• I understand that if I receive partial funding and am unable to complete the project as projected due to incomplete funding, that I will return the grant award to the YFPE and notify them immediately. · I have followed all instructions on the application. If the instructions are not followed, I recognize that my application will not be eligible for review.

* This form will record your name, please fill your name.

STEM Grant Cover Page

1. Name of person completing the application *

2. School (acronyms are accepted) *

3. Subject(s) *

4. Implementation dates *

5. Grade(s) *

6. List the names **and** email addresses of all applicants associated with this grant application.
Please enter one name and email per line. *

7. Please upload the signed principal approval form. *

Upload file

File number limit: 1 Single file size limit: 10MB Allowed file types: Word, Excel, PPT, PDF, Image, Video, Audio

8. **Project Title -** The grant proposal title should reflect the overall focus and intent of the project. A clear, concise and descriptive title that "hooks the reader" is highly recommended. Titles should not exceed 10 words. *

9. **Statement of Purpose -** A well written statement of purpose should explain the overall purpose of the proposed project. The statement of purpose should not exceed 150 words. *

10. **Project Rationale –** Describe the project for which you are requesting funding and how it aligns to YCSD core value-Innovation-to foster creativity, critical thinking and problem solving to support new ideas and solutions that advance progress. The rationale should describe the originality and creativity of the project and how it will enrich learning in ways above and beyond the norm, The extent to which the proposed project creates "in-classroom" opportunities for students to learn STEM related practices/experiences, and how the proposed project will reduce achievement gaps and/or lead to improved outcomes for stakeholders. The rationale should not exceed 200 words *

11. **Objectives** – Provide a description of your objectives (no more than 3) and expected outcome(s). How do these objectives and outcomes relate to achieving School Improvement Plans and/or the YCSD Strategic Plan priorities such as, Collective Commitment, Supportive Culture, Highly Effective Talent and Future Ready Graduates? The Objectives should not exceed 250 words. *

12. **Instructional Procedure** – This section should outline the procedures by which the key areas within the proposed STEM project will be implemented within an instructional and/or in-class setting. (For example, how many students and teachers will participate/benefit? If the funding supports reusable items, how many students will be impacted in the future? What will the grant accomplish? What change will result from this project*?)* The instructional procedure should not exceed 150 words. *

13. **Evaluation Procedure** – How will the effectiveness of the proposed project be evaluated? Include any tools used to evaluate the program, for example, post activity feedback forms or evaluations. This section should not exceed 150 words. *

14. **Community Partners** – List and describe the role to which community partners will support the implementation of the proposed project. **If applicable**, this section should not exceed 100 words. If not applicable, please enter N/A. *

15. **Student Population** – This section should identify the student population impacted by this project (for example grade level, subgroup, etc.) This section should not exceed 100 words. *

16. **Grant Award History** – If you have been awarded funding for this project by the YFPE in the past, please describe the success of the project and why further funding is being requested. **If applicable**, this section should not exceed 100 words. If not applicable, please enter N/A. *

17. **Itemized Budget** – This section should be a detailed list of each item to be included in the budget of the proposed project along with quantities and their associated costs. List all item separately, do not use item numbers or links to the item's description. These can be included but a clear description of the item is required. If the item's description is a "pack", list all of the items included within the pack and quantity of packs ordered. Do not list miscellaneous items or links to items. **Applications without a detailed itemized budget will be rejected. Please list one item, quantity and cost per line. Enter N/A if you are uploading your budget below.** *

18. If you have not completed question #17, you must upload your itemized budget here.

Upload file

File number limit: 1 Single file size limit: 10MB Allowed file types: Word, Excel, PPT, PDF, Image, Video, Audio

19. **Artifacts** - Provide additional evidence of the project such as, program website information, program success at other schools, or images related to the grant proposal that represent or spark interest in your project. Stock images are acceptable. You are required to share information here or upload images below. . If you are uploading your artifacts below, please enter N/A. *

20. **Artifacts Upload -** If you have not completed question #19, an upload is required. Please only upload images, do not use links to items or links to websites.

Upload file

File number limit: 4 Single file size limit: 100MB Allowed file types: Word, Excel, PPT, PDF, Image, Video, Audio

21. Total amount requested (no more than $1000) *

22. If you only receive partial funding, will you still be able to implement your project? *

- ◯ Yes
- ◯ No

23. Is this application for an individual or team? *

- ◯ Individual
- ◯ Team
