Back-to-School Splash is a success

What a FUN night at our Back-to-School Splash! We are so thankful for everyone who came out and helped us kick off a brand-new school year together!

A huge THANK YOU to all of our families, students, staff, volunteers, and everyone who helped make tonight possible. Your support means so much to our school and PTO!

We hope everyone had a great time making memories, splashing around, and celebrating the start of another amazing year at Science Hill Independent School!

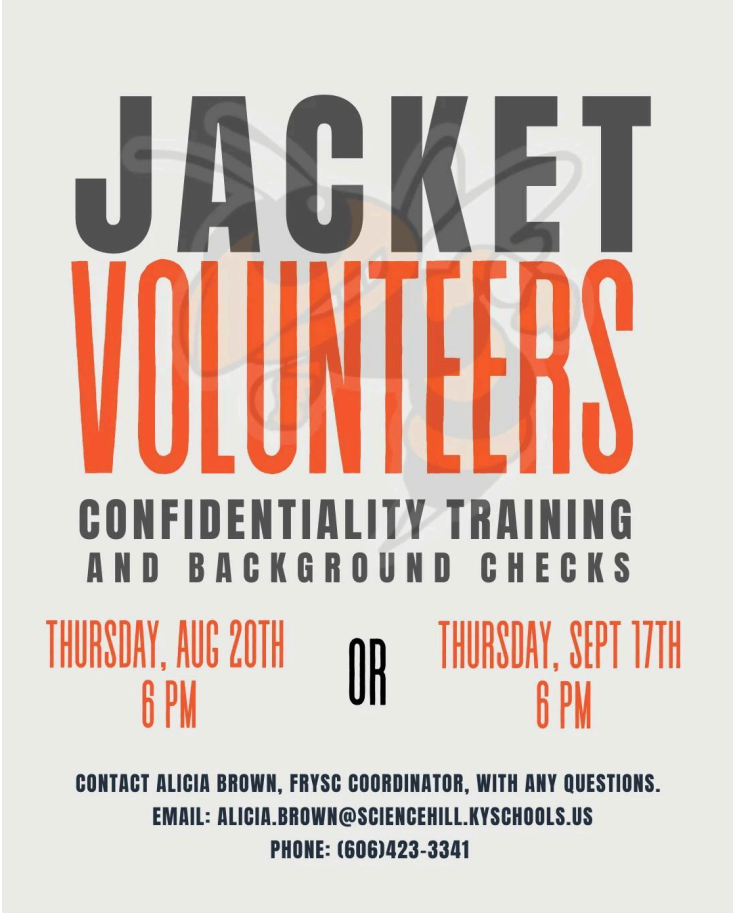

Students kick off the year with PTO Foam Party

Our PTO Foam Party was a fun-filled way to celebrate our Yellow Jackets! Students enjoyed a day of music, laughter, and plenty of foam while making memories with their friends. It was a great way to kick off the school year with lots of energy and school spirit!

Volunteer training dates set for

We love having families involved at Science Hill! To keep our school safe and comply with Kentucky state law, the following is required for anyone who wishes to volunteer at school or chaperone a field trip:

✅ Background Check (KRS 161.148 & KRS 160.380(6)(d))
✅ Confidentiality Training (KRS 161.148)

These are the only dates available for the training:

Thursday, August 20th at 6:00 PM
Thursday, September 17th at 6:00 PM

Both must be completed before you are able to help in classrooms, join school events, or attend field trips.

Thank you for partnering with us to make Science Hill a safe and supportive place for all students!
