School-Parent Compact
Henderson Middle School Year 2026 - 20267
Revised May 20, 2026

Dear Parent/Guardian,

Henderson Middle School students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

JOINTLY DEVELOPED

The parents, students, and staff of Henderson Middle School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the spring each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies. To understand how working together can benefit your child, it is first important to understand the goals of both the district and Henderson Middle School for student academic achievement:

Butts County School System District Goals:

- Increase the percentage of students in grades K-8 that meet their Growth Projection on MAP
- Increase the percentage of students in grades 3-8 demonstrating proficiency on Georgia Milestone EOG in every area
- Increase the percentage of students in grades 8-12 who demonstrate proficiency on Georgia Milestone EOC in every area

Henderson Middle School Goals:
