

Welcome to the 26-27 school year!

Greetings from Mrs. Wagner

I have an exciting year planned and am looking forward to seeing all of you thrive during your middle school year. A few things have changed this year in middle school: first, I am now the only counselor grades 6-8, second, my office has moved. I am still located in the main office, but am in the middle of the main office hallway (just ask Mrs. Raicos and she can help find me).

As we transition back into the school year, please take a minute to review your schedule. Should you have any questions or would like to see if a change is possible, please contact me as soon as possible. Remember, student/parent schedule change requests occur during the first week of school, on a first come, first served basis, so you need to put those requests in quickly.

Just like in previous years, my door is always open to students should you need any help or have any questions. Feel free to stop in my office or email me at bwagner@charleroisd.org. Parents can call to schedule an appointment (724-483-3600) or email me any questions or concerns.

Attention Parents: Please make sure you log onto the Sapphire Community Portal and create an account to monitor your child's academic progress. There is an abundance of helpful information on the site, including upcoming assignments, tests, homework calendar, and current grades. The link to sapphire is on the charleroi school district website (or below) ↓
