Welcome to West Elementary!

Dear West Elementary Families, Students, and Community,

As we prepare for another school year, I continue to feel incredibly grateful to be part of this wonderful school community. Each year brings new opportunities to learn, grow, and build meaningful relationships, and I am excited for all that the 2026-2027 school year will bring.

At West, we believe school should feel like a neighborhood where every child is known, valued, and supported. Our caring and dedicated team is committed to creating a welcoming, inclusive, and engaging environment where students can grow academically, socially, and emotionally. We want every child to feel confident, curious, and excited to learn.

Families are an essential part of our West neighborhood. By working together, staying connected, and celebrating the unique strengths each student brings, we can create an exceptional year for every child. Your partnership, encouragement, and involvement make our school community stronger.

I am looking forward to a joyful and successful year filled with learning, laughter, and connection. My door is always open, so please reach out with your ideas, questions, or feedback. Together, we are New Philadelphia City Schools, and I cannot wait to see what we accomplish this year!

Warmly,
Lisa Host
