## Holidays and Observances

Minnetonka Public Schools encompasses a diverse community that celebrates many different religious and cultural holidays. As the District strives to promote our students' and staff members' sense of belonging, it is important to acknowledge the observances of families and staff. The days below are occasions observed by a considerable number of our community. Please be aware of these dates when scheduling important assessments or academic deadlines. If scheduled on these dates, additional time should be afforded to students who are absent due to the observance. Absences around major observances may be greater than normal; therefore, it is advisable to avoid these dates. Please note that this is not an exhaustive list of all holidays or observances, nor of active religious communities in the Minnetonka Public Schools community.
