1200 Boyd Ave, Newton

Our charter organization is Friends of Newton Scouting. Our Den Meeting and Pack Meetings are always on Mondays and are an hour long. Parents are asked to participate as much as possible, making Scouting more fun for your son or daughter along with your family. Scouting is a family organization. It builds skills, character and future leaders.

We do family camp outs, attend various council activities, of course the infamous Pinewood Derby and celebrate accomplishments.

We hope to see you at our Information Night. No high-pressure sales, just information.
