

NEWTON WEEKDAY BIBLE SCHOOL

OUR PROGRAM

For 101 years, Newton Weekday Bible School has provided a program of Bible instruction for children in our Newton school system. Our program seeks to teach the children of Newton the truth about the Bible while calling them to faith in Jesus Christ as their only hope for salvation. Once a week, first- through sixth-grade students, who are permitted by their parents, are escorted to nearby churches to learn the life-changing principles of the Bible. No exclusive denominational teaching is presented; and no child will be excluded due to religion, race, gender, national origin, or economic status.

Northridge Elementary	– Monday lunch period	– meets in Immanuel Baptist Church building
South Breeze Elementary	– Tuesday lunch period	– meets in Newton Bible Church building
Sunset Elementary	– Tuesday lunch period	– meets in Meridian Baptist Church building
Santa Fe 5/6	– Tuesday lunch period	– meets in 1 st Baptist Church building

Those children not bringing lunch from home will be provided lunch (by the school's lunch program) to eat during instruction.

Lunch classes meet during the 25-minute lunch time + 20 additional minutes of school time.

Slate Creek Elementary – Tuesday (7:45 – 8:30 a.m.) – meets in Shalom Mennonite Church building

Breakfast will be provided to those students normally receiving breakfast to eat during Bible instruction.

OUR ORGANIZATION

Newton Weekday Bible School functions under the oversight of a board comprised of pastors and lay persons from participating churches. Their purpose is to oversee the course of study, general conduct of classes, qualification of teachers, and involvement of the local churches. Newton Weekday Bible School teachers and assistants are screened volunteers from area churches. USD373 requires each volunteer to obtain a "Secure Volunteer" ID card which is issued after a background check.
