

Fair Grove Elementary Title 1 Parent Involvement Policy 2026-2027

Title I is a federal program that provides extra funding to help students succeed. At Fair Grove Elementary, we believe that when schools and families work together, students can reach their full potential.

Definition:

The term “parent and family engagement” means the participation of parents, guardians, and other family members in regular, two-way, and meaningful communication involving student learning and other school activities.
