The following questions have been asked by Dealers/Vendors and answered by Community ISD.

NO. 1. - QUESTION #1

How will vendors know which rooms are to receive the existing furniture, and where will these pieces come from?

Answer : Vendors can identify existing furniture to be relocated by referencing the Furniture Plans. Existing furniture is highlighted in yellow on the Overall Furniture Plan and is indicated with a diagonal hatch pattern on the Unit Plans. The associated Type Marks for existing furniture to remain and be relocated are identified by the furniture type number followed by the letter "A."

Existing furniture designated for relocation will be sourced from the following locations:

Four portable classrooms currently on campus
Approximately 30 student desks and 30 student chairs at Edge Middle School
Ten existing cafeteria tables within the original portion of the dining area

All furniture is located either within the building or in close proximity to the project area. These items will remain in use during the Spring 2026 semester and will be relocated to designated temporary staging areas coordinated with the General Contractor prior to construction activities occurring in their current locations.

Vendors shall include pricing for relocation efforts required to move and reinstall these existing furnishings as part of their bid.

NO. 2. - QUESTION #2

Each item will have a tag on it that indicates existing to be relocated?

Answer: Yes, the existing furniture items designated for relocation will be identified with tag indicators affixed to each piece. These tags will be used to clearly distinguish which items are to be moved and help vendors accurately identify the furniture included in the relocation scope.

Vendors should reference the Furniture Plans in conjunction with the field-applied tags when coordinating relocation activities. Any questions regarding specific items can be raised during pre-installation coordination with the General Contractor and Owner.

NO. 3. - QUESTION #3

If we need to specify more components than what is listed for certain line items, the coaches office for instance, how would we document that?

Answer: If additional components are required beyond those listed for a particular line item, vendors are permitted to create subsections under the applicable line item to clearly identify and itemize those components.

For clarification, please reference the associated tag number in the item descriptions to ensure all additional components are included under the correct line item. This will help maintain consistency and allow for accurate review of the proposed desking system configuration.

NO. 4. - QUESTION #4

What are the electrical requirements for these workstations? Will they need to be hardwired or plug into a standard outlet? If hardwired, CMar Pogue Construction would have to coordinate this with a licensed electrician.

Answer: Workstations adjacent to walls shall be powered via standard building power and data outlets, coordinated with furniture cable management features. The central island benching run shall include a hardwire power connection from the north wall with furniture power distribution routed through the benching spine. Each workstation shall include a worksurface-mounted power module with two (2)

receptacles, one (1) USB-A port, and one (1) USB-C port for convenience and personal device charging. For planning purposes, please intend for one (1) data drop per workstation, as VoIP phones may be daisy-chained through the computer. The anticipated workstation setup includes one (1) all-in-one desktop, one (1) additional monitor, and one (1) VoIP phone per workstation. Final electrical and data coordination will be completed following contract award.

NO. 5. - QUESTION #5

Line 10: The model number for the Zuma Series Trapezoid Student Desk shows a book box. Did you want the book box and the backpack hanger, or just the backpack hanger?

Answer: No book box is required. Please provide the Zuma Series Trapezoid Student Desk with the backpack hanger only. The furniture tag numbers have been updated to reflect this change. Vendors should reference the revised tag numbers when preparing their submittals and pricing.

NO. 6. - QUESTION #6

Line 13: The model number for the KI Stout table is for the adjustable height table, but the description mentions a fixed height table. Did you want the fixed height table, or the adjustable height table? If the fixed height table, there is no option for a single footrest, but they have a no footrest or a dual footrest option. Which is preferred?

Answer: Line 13: We prefer not to use a footrest. The item description has been updated accordingly to reflect the fixed-height KI Stout table with no footrest. Please base your pricing and submittals on this configuration.

NO. 7. - QUESTION #7

For line 12 in the master spec for the HS bid, can vendors propose wire management, but not have it be lockable?

Answer: Yes. Lockable wire management is not required for Line 12. Vendors may propose wire management solutions that are not lockable, provided they meet the intent and functional requirements of the specification.

NO. 8. - QUESTION #8

Are we able to go direct to site for the HS and MS due to large volumes?

Answer: Yes. Due to the volume of furniture being provided, deliveries for both the High School and Middle School will be made directly to the project sites. Vendors should plan and coordinate deliveries accordingly.

NO. 9. - QUESTION #9

Does the HS or MS have a dock?

Answer: Neither the High School nor the Middle School has an elevated loading dock. Vendors should plan deliveries accordingly and assume ground-level access at both locations.

NO. 10. - QUESTION #10

Please confirm that CISD would like 7 hardcopies and thumb drive for the deliverables.

Answer: Yes, CISD requires seven (7) hard copies and one (1) thumb drive for proposal submissions. This is the District's preferred method for accepting deliverables. Electronic submissions via email will not be accepted.

NO. 11. - QUESTION #11

Does CISD want us to do open market pricing or utilize any Co-ops for the HS or MS bid?

Answer: CISD will accept proposals utilizing either open market pricing or cooperative purchasing contracts. Vendors are encouraged to propose the solution that provides the most cost-effective value to the District while meeting the project's functional, performance, and quality requirements.

NO. 12. - QUESTION #12

We would like the manufacturer to audit the specs for the coach's office at the HS, but the manufacturer needs a CAD plan to audit. Since it may not be enough time to audit once we receive answers back, if awarded, will there be an opportunity to audit the components and capture anything that might be missing?

Answer: Yes. The CAD plan will be provided as a downloadable resource on the CISD Bid Site as part of this addendum. To provide vendors with additional time for review, this addendum is being issued ahead of the originally scheduled response date. The deadline for final questions will remain unchanged, Thursday, 8/13. Any remaining questions received by the deadline will be addressed on the original answer release date, Monday 8/17.

NO. 13. - QUESTION #13

Who will be site contact when moving the existing furniture?

Answer: Myranda Staten will serve as the District's point of contact for the coordination and relocation of existing furniture.

Furniture will be located on the first and second floors. There is an elevator. Staging areas will be available. Coordinate with Pogue Construction for space and flooring protection. Jobsite work hours will be managed by CMar Pogue Construction.

3. PERIOD OF AGREEMENT

The Term of this agreement will become effective after formal approval by the CISD Board of Trustees.

4. PRICING

Pricing and a detailed list of all items included in the pricing must be provided in addition to the proposal.

Pricing must include:

- Line items of all furniture including quantity, unit cost, total cost
- All listed items must be priced; if you can't provide pricing for item clearly identify that you are not bidding that item; if an alternate is proposed it must be clearly designated (alternates must include description, part number, manufacturer)
- Delivery Charges to be a separate line item
- Installation Charges to be a separate line item
- Relocation of existing furniture Charges
- Any temporary storage costs (as needed)
- Pricing must be submitted in an MS Excel format. Please see attached Excel template for format reference. Dealer/Vendor is expected to use the attached Excel template with the pricing shown.

5. PROPOSAL (maximum 5 pages)

Proposals should be submitted with descriptions of your firm's services.

Note the following items will be reviewed during the evaluation phase:

Evidence of Experience & References with Similar Projects

Vendor experienced in providing services

Familiarity and experience with similar projects

Expertise of Firm Personnel

Consider experience and background of specific personnel that shall be assigned to the District's project
Experience on projects of similar scope and size.

Applicable Resources

Adequacy of proposed team/resources to complete project within time frame agreed upon between
CISD and awarded dealer/vendor

Project Approach

Project schedule and approach is reasonable/responsive to District's needs

Roles of all involved parties clearly identified

Identify/recognize critical or unique issues specific to the project

Adequacy of proposed communications process

6. EVALUATION OF BIDS

This proposal will be awarded in the best interest of the District. Final evaluation of this proposal will be based on the Texas Education Code 44.031(b). The following considerations shall be taken into account to determine the best value for the district.

	Evaluation Criteria
1.	The Purchase Price
2.	Reputation of the vendor and vendor's goods or services – References Provided
3.	Quality of the vendor's goods or services
4.	Extent to which the goods or services meet the district's needs
5.	Vendor's past relationship with the district
6.	Impact of district's compliance with laws and rules relating to Historically Underutilized Businesses
7.	Total long-term cost to the district
8.	Vendor or Vendor's ultimate parent company or majority owner has its principal place of business in this state; or Vendor or Vendor's ultimate parent company or majority owner employs at least 500 persons in this state
10	Other relevant factors specifically listed in this RFP

Considering the above criteria, the District will utilize a weighted scoring process to evaluate each offer and determine the awards. The following percentiles will be applied:

Price	30%
Meets Districts Needs	30%

Vendor Qualifications	30%
Past relationship with Vendor	5%
Completeness of Proposal	5%

7. **AWARD**

CISD may award this contract to multiple or a single dealer/vendor, in order to best serve the needs of the District. All dealers/vendors properly responding on time to this proposal will be considered for award. Dealer/s will be notified of award. The dealer/s who is awarded this contract will be identified as an “approved vendor” for CISD.

8. **ESTIMATED ANNUAL EXPENDITURE:**

Community ISD does not guarantee the volume (quantity or dollar value) to be purchased annually and purchases may be made from any awarded vendor. The actual dollar amount to be purchased depends on the actual needs of the District, and budgetary constraints.

9. **RESPONSE FIELDS**

All required fields must be completed to comply with State of Texas bid laws. Proposals must be submitted using the forms mentioned in the format provided and using the specified pricing references.

The contact for this bid/proposal is Angelica Yong, email: ayong@wraarchitects.com.

12. SPECIFICATIONS

See attached supporting documents. The specifications that are shown is for basis of design only. CISD is interested in considering manufacturers and brands that are of comparative quality to the basis of design.

If the furniture image does not match the product description, default to product information.

Currently there are no material colors or finishes listed in the basis of design. Once the contract has been awarded, we will look through the list of proposed furniture items and assign finishes. For now, the materials proposed in the bids will be based on standard selections.

13. PURCHASE ORDER

All purchases against this contract will be authorized through the use of a Community ISD purchase order. **Orders must not be fulfilled (shipped and or delivered) without a Community ISD authorized purchase order.** The Owner will provide the Excel template to be used for the final quote submission. Quantities are to be summarized by total item quantity and should not be presented separately by room.

All invoices and packing slips from successful vendor must include the CISD purchase order number, manufacturer's identification number and discounted price of items and/or services as stated in this agreement.

14. DEVIATIONS

Any deviation to the Standard Terms and Conditions of this proposal request must be clearly stated in writing in the Deviation Compliance field.

15. CANCELLATION

CISD reserves the right to cancel this contract should any of the following occur:

- the vendor(s) proceeds in a manner that does not comply with the contract
- should services or quality of the goods become unacceptable as determined solely by CISD
- the vendor(s) does not carry out the provisions of this contract in its true intent and meaning as indicated in the scope of work.

Prior to contract cancellation, the dealer/vendor(s) will be served with written notice to provide satisfactory compliance with the contract without penalty. If the vendor neglects or refuses to follow such notice within thirty (30) days CISD may cancel the contract.

16. WARRANTY / GUARANTEE

All products purchased under this contract shall be NEW and free from defects.

17. DISCLAIMER

All relocated furniture shall be protected and handled with due care. Any damage to relocated furniture beyond documented existing wear and tear shall be recorded and the affected item shall be repaired or replaced by the vendor at no additional cost to the Owner.
