

BREAKFAST AFTER THE BELL

Dear Parents and Guardians,

To ensure that all of our students are well prepared for academic success, South River Early Learning Center, Primary, and Elementary Schools are pleased to offer Breakfast After the Bell. Instead of offering breakfast in the cafeteria at before school starts, breakfast is served in the students' classrooms after the bell.

The School Breakfast Program is FREE for students every day who qualify for free or reduced meals. If your child does not qualify, breakfast costs \$1.90. Please complete a lunch application to see if you qualify. Electronic applications are available to complete at <https://payschoolscentral.com/> or you can request a paper application from your child's school. We encourage every student to participate to ensure that they have the nutrition needed to succeed in the classroom. These meals meet federal nutrition standards and our staff is working to provide students with a variety of meal options.

For families that have early morning commitments or conflicting schedules, Breakfast After the Bell is a great solution to ensure your child starts the day off right—which is why we encourage participation in this program.

If you have any questions, comments, or concerns, please do not hesitate to reach out to Katy Ramos, Secretary to the Assistant Business Administrator, at 732-613-4006 x 2216 or kramos@srivernj.org.

Sincerely,

Johnny Rosa
Business Administrator
