School Permission and Signatures

Thank you for applying to the Global Action Research Collaborative on Girls' Education! Before completing this permission form, please ensure you have read the program information and expectations for participation detailed on the ICGS website.

Please note that to participate in this action research program, you and your head of school/headteacher/principal acknowledge that:

- You are teaching your own class at an ICGS member girls' school.
- Your research will be conducted with your own class or group of students.
- The project is not designed for co-teaching of a class, nor for observing other teachers and classes as comparatives.

Requirements and considerations:

- Participation in the program requires attendance at all training, both online and in person, and the two consecutive in-person GARC Trainings at the ICGS conferences in Brisbane, Australia (June 2027) and Sydney, Australia (June 2028).
- A one-time fee of $1325 USD is payable on acceptance into the program. This fee is non-refundable.
- The cost of registration, travel, and accommodations at the conferences is the school's responsibility.
- The school is expected to support their fellow during the program by providing release time during the academic year to write the research report.

The deadline for completed applications is **October 16, 2026.** Acceptance and declination notifications will be emailed the week of **October 26, 2026.**

SIGNATURES

I have reviewed the fellow expectations of the Global Action Research Collaborative on Girls' Education and agree to participate in the program fully.
