Ms. McHaney presented the District's 2025-2026 Estimated Actuals and proposed 2026-2027 Budget with a Positive Certification. She explained that the proposed budget is based primarily on the Governor's May Revision and noted that budget assumptions may change as additional trailer bill details become available. Ms. McHaney reported that the District is required to adopt a budget by July 1 in order to maintain spending authority and emphasized that maintaining fiscal integrity is essential to supporting student achievement and the goals outlined in the Local Control and Accountability Plan (LCAP). She reviewed the Local Control Funding Formula (LCFF) cost-of-living adjustment (COLA), anticipated State funding, projected revenues and expenditures, multi-year assumptions, and ongoing fiscal challenges, including increased costs associated with new State mandates. Ms. McHaney concluded that the District is able to meet its financial obligations for the current and two subsequent fiscal years and recommended approval of the 2025-2026 Estimated Actuals and adoption of the 2026-2027 Budget with a Positive Certification.

Board Member Hanson-Smith moved to approve the 2025-2026 Estimated Actuals and adopt the 2026-2027 Budget with a Positive Certification, as presented.

Board Discussion: Board members discussed the Governor's May Revision, the uncertainty surrounding final State budget details, and the impact of new unfunded mandates on school district finances. Ms. McHaney explained that while the proposed LCFF COLA totals 4.31%, a portion is effectively offset by the costs associated with the new paid pregnancy disability leave requirement. She also discussed the importance of maintaining adequate reserves and aligning District resources with student needs while preserving long-term fiscal stability. Board members expressed appreciation for the District's conservative budgeting practices and the continued positive certification despite ongoing fiscal uncertainty.

    Ms. McHaney presented the second reading of the proposed CSBA policy updates related to Professional Standards and Maintaining Appropriate Adult-Student Interactions. She reported that the policies had previously been reviewed by the Board during the first reading and were returned for consideration and adoption.

    Board Member Masten moved to approve the Suggested Revisions to Buckeye Union Board Policies/Regulations/Bylaws/Exhibits (Second Reading) – CSBA Policy Updates: Professional Standards and Maintaining Appropriate Adult-Student Interactions.

    Board Member Keyzer seconded the motion.

    Board Discussion: Board members expressed support for the proposed policy updates and agreed they provide important guidance for maintaining professional standards and appropriate interactions with students. Board Member Masten noted that, while he understood the need for the new volunteer training requirements from a student safety perspective, he remained concerned that the additional fingerprinting costs and required training could create a chilling effect on volunteer participation. Board President Seal acknowledged those concerns but commented that the District must prioritize student safety and comply with mandated training requirements, noting that the District never wants to be in a position of having to justify why appropriate safeguards were not in place.

BUCKEYE UNION SCHOOL DISTRICT

AGENDA ITEM #: XIII.2.

ACTION:
Establish the First Day of School for the 2027-2028 School Year and 2028-2029 School Year

SITUATION:

It is the Governing Board's responsibility to set the first day of school for each school year. Historically, the first day of school has been set to start on a Wednesday, unless additional training is needed prior to the return of students, and on the date most closely aligned with the El Dorado Union High School District (EDUHSD) calendar.

- **2027-2028:** The first day of school for the EDUHSD is Monday, August 9, 2027. As a result, for the 2027-2028 school year, District staff recommends that the Board establish ***Wednesday, August 11, 2027*** as the first day of school.
- **2028-2029:** District staff recommends that the Board establish ***Wednesday, August 9, 2028*** as the first day of school.

PLAN:

The plan is to have the Board set the first day of school for the 2027-2028 school year as ***Wednesday, August 11, 2027*** and for the 2028-2029 school year as ***Wednesday, August 9, 2028***.

The administration and Buckeye Teachers' Association (BTA) negotiate the final calendar.

FISCAL IMPACT:

None, but note that the calendar should be designed to maximize learning and ADA.

LONG RANGE GOAL:

District Goal #1: Maximize Student Achievement
District Goal #4: Strengthen Community Relations and Communications

SUPERINTENDENT'S RECOMMENDATION:

The Superintendent recommends that the Board set the first day of school for the 2027-2028 school year as ***Wednesday, August 11, 2027*** and for the 2028-2029 school year as ***Wednesday, August 9, 2028***.

BUCKEYE UNION SCHOOL DISTRICT

AGENDA ITEM #: XIII.3.

ACTION: Adoption of Revised Buckeye Education Foundation Stipend Enhancement Schedule for the 2026-2027 school year only

SITUATION:
The District is presenting for Board consideration the adoption of a revised Buckeye Education Foundation Stipend Enhancement Schedule, effective for the 2026-2027 school year only.

For the 2026-2027 school year, eligible stipend categories—specifically those tied to positions working directly with students—will receive an enhancement equal to 60% of the applicable District stipend amount. The 60% enhancement remains unchanged from 2025-2026; however, the maximum enhancement has been increased from $599 to $1,999 per stipend, subject to an overall maximum of $1,999 per person per calendar year. The enhancements are made possible through funding provided by the Buckeye Education Foundation. If approved:

- Enhancements for eligible work performed from August through December 2026 will be paid in **December 2026**. The December payment will be capped at $1,999 per person and will include any BEF stipend enhancement amounts previously paid to that person during the 2026 calendar year (January-December).
- Enhancements for eligible work performed from January through June 2027 will be paid in **June 2027** and will be capped at $1,999 per person.

To prepare the revised schedule, the District used stipend recipient and payout information from the 2025-2026 school year to estimate the anticipated number of eligible stipend enhancements for the 2026-2027 school year. Using this historical information, the District calculated the projected cost of applying the 60% enhancement to all eligible stipends, subject to the revised limits. The Buckeye Education Foundation Board subsequently approved funding of up to $80,000 for stipend enhancements during the 2026-2027 school year.

Adoption of the revised stipend enhancement schedule ensures that those directly engaged with students in eligible roles will receive enhanced compensation during the 2026-2027 school year, while maintaining fiscal neutrality to the District's general fund.

The Buckeye Education Foundation was founded during the Great Financial Crisis to raise funds for districtwide efforts. Since its inception, the Foundation has funded elementary physical education and library staffing, technology infrastructure, professional development, teacher grants, GATE resources, and drama opportunities for students at various times. Its funding comes largely from contributions made by parents and community members supporting students in the Buckeye Union School District.

More information about the Foundation is available at https://www.buckeyefoundation.org/.

PLAN:
That the Board approve the adoption of the revised Buckeye Education Foundation Stipend Enhancement Schedule effective for the 2026-2027 school year.

FISCAL IMPACT:
There is no additional fiscal impact to the Buckeye Union School District's general fund. The Buckeye Education Foundation has approved funding of up to $80,000 for stipend enhancements during the 2026-2027 school year.

LONG RANGE GOAL:
District Goal #1: Maximize Student Achievement
District Goal #2: Maintain Fiscal Integrity & Accountability of the District
District Goal #5: Promote the Development of Each Student as a "Whole" Person

SUPERINTENDENT'S RECOMMENDATION:
The Superintendent recommends the adoption of the revised Buckeye Education Foundation Stipend Enhancement Schedule effective for the 2026-2027 school year only.
