Library & Textbooks

General Library Information:

Anna Jierian- Teacher Librarian

Cynthia Ramirez-Navarrete- Library Technician

Library Hours:
7:30 am - 4:00 pm

Student textbook distribution is dependent on teacher. Some will come in whole class and some will be directed to pick up books on their own.

All of their non-consumable books are due back by the end of the year so please encourage your child to keep track of their own books to avoid fees and confusion at the end of their high school careers.

Library & Textbooks

Library Rules

- No food, drink, candy, or visible gum.
- Library expects all students to abide by BHS cellphone policy.
- Students are provided with sets of textbooks for studying.
- Library does NOT provide loaner laptops or chargers any longer for students. Please make sure your students com eprepared daily with their technology.

Book Check-Out

- You may check out 2 books for 2 weeks each. Each book may be renewed unless there is a hold on it. There will be a charge for lost items. Class novels that are checked out for ELA lessons must be returned. Often times teachers require students to return them on their own time. Unreturned books incur fees. Fines are removed upon return. No late fees are kept after return.

Library Printing

- Library has a dedicated student printer. All teachers have been provided with information about how to connect the student devices to the printer. Only school issued devices can connect to this, however, we have alternate printing options for other students.

BULLARD HIGH

Checking Your Destiny Account

Stay on Top of Your Library & Finance Account!

Students are encouraged to regularly check their Destiny accounts to see what materials are checked out and if any fines are owed. Staying informed helps avoid surprises, especially during senior year and at senior checkout time. A quick check now can save time and stress later!

Current Check Outs

Past Dues Fines

You will see everything currently checked out to you and what you have fines on for not returning or losing/damaging. **It is important to check this often because if you have a fine for something that you feel is an error, you need to get it taken care of ASAP instead of waiting until Senior Check Out.**

Students SHOULD HAVE kept their laptops from their middle schools. If this is not the case,please visit a nearby FLATS center to get your student one before the start of the school year.

Please be sure your student has their technology ready to go on the first day!
