WWW.LEXRICH5.ORG

GENERAL PROCEDURES FOR SCHOOL SUSPENSION:

- 1.** Suspension in- or out-of-school will be assigned by the school principal/director or designee according to the procedures specified in Board policy, JKD. Suspension of students.
- 2.** Within 3 calendar days of any suspension, the administrator will invite the student's parents/guardians for a conference (virtual or in person) to discuss the suspension. The conference date will be extended beyond the 3 days only if the parents or guardians request a n extension in writing.
- 3.** After the second suspension, the parent/guardian may be called in for a Triage/Student Assistance Intervention meeting before the student can return to school/class. These meetings may also be held for each student that has accumulated at least one Level II offense, two Level I offenses, and anytime during Level III offenses. The purpose of the meetings will be to discuss individual student school behavior plans, academic progress and achievement, and social awareness. These meetings may be held with the following members present: parents/guardian, students, school administration, school counselor/social worker, school nurse, psychologist, or other. Although the school counselor and social worker will serve as an advocate for the parent and student, parents are free to have additional support personnel present. In addition, a behavior contract will be signed by a parent/guardian and child after the second out of school suspension.

SUSPENSION APPEALS:

After a parent/guardian is notified in writing of a suspension, the parent/guardian has 3 school days to request an appeal of the suspension. The request for appeal must be in writing and should state the specific basis for the appeal. Suspensions may be appealed as follows:

- A.** To the Principal if the decision to suspend was made by a school-level designee. (Asst. Principal or Adm. Assistant)
- B.** To the Student Services Officer if the decision to suspend was made by the Principal.
- C.** In the event that the Principal determines that he/she has been too involved in the decision to suspend or to conduct an impartial hearing, the Principal may request that the Student Services Officer conduct the appeal hearing.
- D.** In cases of 8-10 day suspensions, if the Principal holds the appeal hearing, and subsequently decides to uphold the suspension, the parent/guardian may petition the Student Services Officer for a further appeal, provided that such petition is made in writing within 3 school days of the date of the signed receipt of the decision letter from the Principal. The petition shall state on what basis the parent/guardian believes that the suspension was unfair or unwarranted. The Student Services Officer will have discretion whether to grant a further appeal and that decision will be final.
- E.** All in-school suspensions and out-of-school suspensions under 8 days may not be appealed beyond the school level unless the suspension was initially assigned by the principal. There is no appeal for detentions or lesser consequences beyond the school level.
- F.** All suspensions should begin immediately.
- G.** The Board of Trustees hears only expulsion appeals.

APPENDIX C

HARASSMENT, INTIMIDATION OR BULLYING:

Code JICFAA Issued 3/11

Purpose: To establish the basic structure for maintaining a safe, positive environment for students and staff that is free from harassment, intimidation or bullying.

School District Five of Lexington and Richland Counties prohibits any acts of harassment, intimidation or bullying of a student by students, staff and third parties which interferes with or disrupts a student's ability to learn and the school's responsibility to educate its students in a safe and orderly environment, whether such acts occur in a classroom, on school premises, on a school bus or other school-related vehicle, at an official school bus stop, at a school-sponsored activity or event whether or not it is held on school premises, or at another program or function where the school is responsible for the student.

For purposes of this policy, harassment, intimidation or bullying is defined by the District as a gesture, a written, verbal, physical or sexual act, or electronic communication, to include cyber bullying (which is the use of cell phones, instant messaging, email, chat rooms or social networking sites such as FaceBook, Myspace and Twitter) that is reasonably perceived to have the effect of either of the following.

- Harming a student physically or emotionally or damaging a student's property or placing a student in reasonable fear of personal harm or property damage
- Insulting or demeaning a student or group of students causing substantial disruption in, or substantial interference with, the orderly operation of the school

Any student who believes that he/she has been subjected to harassment, intimidation or bullying in violation of this policy is encouraged to file a complaint in accordance with procedures established by the District. Complaints will be investigated promptly, thoroughly and confidentially. All school employees are required to report alleged violations of this policy to the principal or his/her designee. Reports by students or employees may be made anonymously, although disciplinary action will not be taken against any person solely on the basis of an anonymous report.

The District prohibits retaliation or reprisal in any form against a student or employee who has filed a complaint or report of harassment, intimidation or bullying. However, the District prohibits any person from falsely accusing another of harassment, intimidation or bullying.

The board expects students to conduct themselves in an orderly, courteous, dignified and respectful manner. Students and employees have a responsibility to know and respect the policies, rules and regulations of the school and district. Any student who is found to have engaged in the prohibited actions as outlined in this policy will be subject to disciplinary action in accordance with the district's student behavior code. Any employee who violates this policy will be subject to disciplinary action. The district also may refer any individual who has violated this policy to law enforcement officials. The district will take any other appropriate steps to correct or rectify the situation.

HARASSMENT, INTIMIDATION OR BULLYING (continued):

The superintendent or his/her designee will be responsible for ensuring notice of this policy is provided to students, staff, parents/legal guardians, volunteers and members of the community, including its applicability to all areas of the school environment as outlined in this policy.

The superintendent or his/her designee will also ensure that a process is established for discussing the contents of this policy with students.

The District's procedures for responding to incidents of bullying, harassment, and/or intimidation are as follows:

1. Any student or parent or guardian of a student who believes that the student has been bullied, harassed or intimidated in violation of District policy will immediately report such conduct to a teacher, administrator, or other school official. The report may be oral or in writing.
2. Any school employee who observes an incident of bullying, harassment or intimidation of a student will immediately report the incident to the appropriate building administrator. (Principal, Assistant Principal, etc.)

4. Anyone employed by the school district is to report any known or reported incidents of bullying, harassment or intimidation of any student, faculty or other district employee to the appropriate school or district administrator.
5. An administrator will promptly and thoroughly investigate all such reports and upon completion of that investigation, will notify the parents/legal guardians of all affected students that corrective action has been taken by the school.
6. Corrective action may include the student perpetrator being disciplined in accordance with the Code of Conduct, as well as being required to complete program(s) regarding conflict resolution, anger management, and/or social interaction skills.
7. In any disciplinary incident in which safety is a concern, a student may be temporarily suspended from the bus pending the result of a full investigation.

Investigations will normally be completed within 3 school days. No student will be removed from the bus until a transportation supervisor has made direct contact with the student's parent/guardian. Students will have the right to appeal bus suspensions to the Transportation Coordinator. (See Chapter 4)

8. When an out-of-school suspension and school bus suspension are adjudicated for an incident the school bus suspension will begin after the completion of the out-of-school suspension.

Policy JICFB Gavin's Law Implementation:

Issued 11/23

Gavin's Law (S.C. Code Ann. Section 16-15-430) is legislation that makes sexual extortion, the act of blackmailing someone using sexually explicit images or videos, a felony offense and an aggravated felony if the victim is a minor, vulnerable adult, or if the victim suffers great bodily injury or death directly related to the crime.

Gavin's Law requires the District to collaborate with the State Department of Education, the South Carolina Law Enforcement Division, and the Attorney General's office, as appropriate, to implement a policy to educate and notify students of the provisions of this law, which includes adequate notice to students, parents or guardians, the public, and school personnel.

In accordance with Gavin's Law, the District shall notify students of the provisions of this act through providing age-appropriate instruction on the dangers and consequences of sexual extortion. Additionally, notification shall be provided to parents/guardians, the public, and school personnel regarding the law.

Any student who engages in sexual extortion will be subject to disciplinary action consistent with the District's Student Code of Conduct. Any employee who engages in sexual extortion will be subject to disciplinary action consistent with the District's policies governing staff conduct. School administrators shall notify law enforcement immediately of any allegations of such conduct, as required by State law and District policy.

APPENDIX D

SECRET SOCIETIES/GANG ACTIVITY JICF:

School District Five of Lexington and Richland Counties will maintain conditions on school property and at school-sponsored events in order to ensure as safe an environment as possible for students and staff in accordance with law and the standards set by the School District Five Board of Trustees. In establishing such standards, the Board prohibits the presence and activities of gangs on or near school property and at school-sponsored events.

The Board defines a gang as any non-school sponsored group, possibly of secret and/or exclusive membership, whose purpose or practices include the commission of illegal acts, the violation of school rules, the establishment of territory or "turf," or any other action which threatens the safety or welfare of others. In prohibiting the presence and activities of gangs, the Board makes the following findings.

- Gangs which initiate or advocate activities which threaten the safety and well-being of persons or their possessions anywhere on or near school property or at school-sponsored events are harmful to the educational purposes of the district.
- Gang incidents involving recruitment, initiation, hazing, wearing of colors or other gang indicators, threats and intimidation, fighting or establishment of "turf or territory" on school property or at any school-sponsored event are likely to cause intimidation or fear, bodily danger, physical harm, or personal degradation or disgrace resulting in physical and mental harm to students.
- The use of hand signals and the presence of any apparel, jewelry, accessory, book or manner of grooming which, by virtue of its color, arrangement, trademark, symbol or any other attribute, denotes membership in a gang creates a clear and present danger of the commission of unlawful acts on school premises, the violation of school regulations, or the substantial disruption of the orderly operation of the school and is prohibited. In determining whether or not a student is in violation of the prohibition on the wearing/display of a gang-related item, the district will maintain, in all of its school offices, an example of potential gang indicators including symbols, hand signals, graffiti, and clothing/accessories. In providing these examples for students and parents, the Board acknowledges that not all potential gang indicators actually connote actual membership in a gang.
- If the district determines that a student has initiated or participated in a gang or a secret society as stipulated above, that student will be disciplined in a manner which may include, but will not be limited to, detention, removal from extracurricular activities, suspension and/or expulsion, and referral to law enforcement, dependent upon the circumstances of the particular offense. The district also reserves the right to prohibit any student from wearing/displaying any article of clothing or accessory which the district has determined to be a gang indicator.

APPENDIX E

STUDENT DRESS JICA-R:

The following regulations on student dress shall apply in all schools and shall be administered uniformly throughout the district.

The Administration will make final judgment on the appropriateness of dress and reserves the right to prohibit students from wearing any article of clothing or accessory which may foreseeable result in the disruption of the school environment.

Individual schools may have more specific and restrictive dress codes if recommended by the School Administration and the School Improvement Council and approved by the superintendent or his/her designee.

1. Clothing and/or hair should not be so extreme or inappropriate to the school setting as to disrupt the educational process. Therefore, clothing deemed distracting, revealing, overly suggestive or otherwise disruptive shall not be permitted. This includes bare midriffs, halter/tank tops, see-through shirts/tops/blouses and bike shorts.
2. No vulgar, obscene or otherwise inappropriate symbols, language or wording will be permitted on clothing or accessories.
3. Clothing or accessories, i.e., book bags, jewelry, hats, etc., that display alcohol, tobacco or other drug symbols are not permitted.
4. Gang attire, gang colors or gang symbols are also not permitted to be worn or displayed on accessories.
5. Hats, head stockings or kerchiefs may only be worn during the school day for special occasions when approved by the principal.
6. Proper shoes must be worn at all times.
7. Special dress or costume may be worn during the school day for special occasions when approved by the principal.
8. Wearing accessories or clothing that could pose a safety threat to one's self or others is not allowed. This includes heavy chains, not made as jewelry, fish hooks, multiple-finger rings, studded bracelets or collars, nose/lip to ear chains, etc. Unusual body piercing that is disruptive to the order of the school or is a distraction to the learning environment will not be allowed.
9. Pants must be worn at the natural waistline and undergarments are not to be visible.
10. Hats may be worn at the school bus stop or while on the bus during periods of cold weather. Hats must conform to all of the above requirements and must be removed before entering the building.

INTERNET ACCEPTABLE USE AGREEMENT – SEE TECHNOLOGY PLAN FOR DEVICES:

School District Five of Lexington and Richland Counties is pleased to be able to offer Internet access for student use. Our goal in offering this access is to enhance the educational experience for our students. GLOSSARY (continued):

PHYSICAL ASSAULT: Knowingly recklessly having the intent to cause bodily injury to another person. The principal or his/her designee at the elementary school will make a determination as to whether physical assault has occurred.

PROHIBITED WEAPON: Knife with a blade over two inches long, a blackjack, a dirk (a stabbing knife such as a switchblade), a metal pipe or pole, metal knuckles, razor, razor blade, martial arts throwing star, BB gun, pellet gun, or any other deadly weapon usually used to inflict personal injury. To determine the length of a knife blade, it will be measured from the tip to where the blade and handle (casing) meet. Box cutters and utility knives containing blades are also prohibited on school/district property.

When a weapon is found in a student's possession, it is up to the school principal to determine if the student's possession was knowing or intentional. If the student maintains that he or she did not knowingly have possession, and the explanation is credible to the administrator, the student will not be suspended. If the student's explanation is not deemed credible by the principal, policy requires secondary students to be suspended with a recommendation for expulsion.

Students who realize they have accidentally brought a weapon to school should go immediately to a teacher or administrator and turn the item in. If it is clear the student turned the item in immediately upon discovery, the student may not be suspended. Students who delay turning in such an item, or who turn in an item only after having been discovered, may be suspended with a recommendation for expulsion.

South Carolina Law requires the school to notify local law enforcement officials when a gun, or knife with a blade in excess of two inches, is found in the possession of a student. Law enforcement officials determine if a student is to be charged and taken into custody. (See SC 16-23-430.)
