

"Elevating Excellence in Academics and Achievement for All Students"

School-Supervised Club/Organization Application

This form must be completed on or before the deadline posted by School Leadership and Operations. Applications submitted after the posted date will only be considered for the following year.

Due to required parental notification of all school clubs, supervisors must follow local school protocol regarding the timing for submitting this application to the Principal/designee.

GHSA teams and competitive fine arts programs (e.g., Marching Band) are NOT included under the purview of these school club application guidelines.
