Driscoll I.S.D 2026-2027

Campus: Driscoll Elementary and Middle School

Course and/or Grade Level: 1st Grade Science

Course Description: This course introduces 1st grade students to the world around them through hands-on investigations and observations using HMH 1st grade Science curriculum. Students will explore physical science, Earth science, life science, and engineering practices as they learn to ask questions, make predictions, collect data, and draw conclusions. The course builds curiosity, encourages problem solving, and supports the development of scientific thinking.
