THE MORNING CALL

August 2026

Dear Schnecksville Families,

I am absolutely thrilled for the upcoming school year! Our incredible staff is truly passionate about delivering an outstanding education to every single student, going beyond the curriculum to foster critical thinking, creativity, and a love for learning.

Our teachers will be using **Google Classroom** for assignments and updates throughout the year, which you can check to stay informed about your child's class. Additionally, teachers will communicate directly with families through Apptegy and/or district email.

To stay fully informed, please regularly check our **Weekly Updates** on the website, which will also be sent home electronically. These updates are crucial for notifying you of important changes and happenings throughout the school year. For additional building information and event highlights, follow our X (formerly Twitter) and Facebook pages to see all the latest from Schnecksville Elementary.

At Schnecksville Elementary, we take great pride in the strong partnership between our staff and families. We recognize the vital role families play in a student's educational journey, and we are dedicated to working alongside you to cultivate positive relationships that support each child's academic, social, emotional, and physical development. Our Parent-Teacher Organization (PTO) is instrumental in hosting engaging events throughout the school year, fostering a sense of community. We warmly invite you to join the PTO and become an active part of the Schnecksville team!

Our Positive Behavior Support Plan (SWPBS) at Schnecksville creates a positive learning environment. As the SHARKs, we teach our students to be Safe, Helpful, Accountable, Respectful, and Kind. This commitment to positive behavior is regularly reinforced through praise and rewards, encouraging their continued good choices throughout the school year. This year, we are thrilled to bring back our school theme: "FINS UP!" This acronym represents our core values and reminds us every day to be Flexible, Inclusive, Never give up, and Supportive. Together, these principles guide our students and staff to ride any wave that comes our way and finish the year strong.

We are truly looking forward to another great year and the opportunity to work hand-in-hand with our Schnecksville families to help every student reach their highest potential.

Please contact me via email at verilej@parklandsd.net or by phone at 610-351-5830 if you have any questions.

I am looking forward to a fin-tastic year!

Justina Verile, Principal
