

OXBRIDGE ACADEMY

IMPACT REPORT

FISCAL YEAR 2025 - 2026 | JULY 1, 2025 - JUNE 30, 2026

MESSAGE FROM OUR HEAD OF SCHOOL

In every school's story, there are people whose support makes all the difference. For Oxbridge Academy, that's you. Your generosity fuels our progress, shapes the daily experience of our students and faculty, and reminds us of what's possible when a community believes in its school. Because of your commitment, Oxbridge continues to grow stronger, and this past year is proof of it.

Some of the new opportunities created by your generosity, include:

- Offering new courses that allow students to further their skills in utilizing and implementing AI.
- Bringing in exceptional guest speakers to share information on real-world applications and career pathways to students in our Free Enterprise Institute.
- Expanding special enrichment programs for our middle school students, including a special presentation on taking a company public in the financial literacy class.
- Appointing a Grade 9 Leader who will serve as an advocate, guide, and primary point of contact for students and families as they navigate their freshman year at Oxbridge

Your support took many forms this year: gifts to our special events, unrestricted contributions to the annual fund, and specially designated gifts. Together, this support raised more than \$2.1 million and touched nearly every corner of campus life.

Our special events this year were both well attended and well supported, thanks to the sponsors, committee members, and volunteers who gave their time alongside their resources. The addition of *Party with the Pack* and *Summer Send-Off* allowed more time for mixing and mingling with each other while supporting *The Oxbridge Fund*. We are deeply grateful to everyone who helped make these events a success.

This year, we celebrated a milestone: our first 10-year reunion, welcoming back the founding classes of 2014 and 2015. The reunion marked the official start of our alumni program and led directly to the formation of our first Alumni Council, which will help guide engagement for years to come.

Across every discipline, it was a year with real academic and co-curricular momentum. Our students earned recognition academically on the national stage, including special recognition for our Model UN and Debate programs. In the arts, we produced several theatrical, musical, and dance productions as well as featured our visual art on and off campus, sharing our talents with the broader community. Many of our athletic teams excelled with several reaching state championships and our Girls Softball team winning their first 2A State Championship. Additionally, students in both our middle and upper schools have started supporting Oxbridge through their own creative philanthropic efforts.

With this momentum of achievements and support from our community, Oxbridge Academy is now moving forward with the Lower School, which is the natural next step in our story. It extends the educational philosophy that has defined Oxbridge to children in kindergarten through fifth grade. We will continue to share more information in the coming school year about this exciting project.

Thank you for being such an essential part of the Oxbridge story.

With gratitude,

Dr. Ralph Maurer
Head of School

WITH DEEPEST GRATITUDE TO OUR SUPPORTERS

Thank you to all our generous and loyal supporters for another successful year at Oxbridge Academy! We remain incredibly grateful to all the individuals, families, and organizations listed on the following pages and in our Honor Roll of Donors for their gifts to the Oxbridge Fund and other special initiatives. Your support truly makes a difference.

By supporting Oxbridge Academy, you directly make an impact! Through generous contributions, the school can maintain its unique environment, allowing the creation of transformational experiences for the students we serve. We hope you will continue to help us offer stellar academics, financial aid for those in need, the highest quality school athletics, performing and fine arts, and innovative programming each year.

We look forward to seeing you at our events and around campus in the 2026-2027 school year!

OXBRIDGE ACADEMY CLASSIC

Oxbridge Academy hosted our 7th annual Oxbridge Classic on October 28, 2025, at The Breaker's Palm Beach. More than 112 members of the Oxbridge community came together for one of our most anticipated events. It was a great day that included golf on the iconic Ocean Course, tennis at the new state-of-the-art facility, and pickleball on the brand-new cushioned courts. Participants enjoyed friendly competition, all in support of *The Oxbridge Fund*.

The festivities continued into the evening at the 19th Hold Cocktail Party & Awards Reception at The Flagler Steakhouse, where guests celebrated the day's successes with delicious bites, signature cocktails, and great company.

A special thank-you to **Event Chairs Avery and Joan Klann (P '25 & '27)** and **Deborah Miller (P '26)** for their leadership, and to our generous sponsors and participants for making the event such a success.
