

VVHS Student Badges

To enhance safety procedures on all campuses, the Clark County School District has implemented additional safety measures. This safety initiative will require students to wear identification badges while on campus. These ID badges will be distributed during their first period on the first day of school.

Every morning, students must enter the campus through one of two entrances. These will be located at the east and west doors to the main hall. Students will be required to show their CCSD ID badge to gain entrance to the main hall. These entrances will be open starting at 8:00 A.M. and will be locked when the bell rings at 8:15 AM. After 8:15 AM, all entries will be through the Front Office Door. Students are not allowed to leave campus exiting the side hallway doors during school hours.

If a student forgets their ID badge, they will need to visit the Attendance Office to obtain a temporary one for the day. If a student loses their ID badge and needs a replacement, the cost will be \$5.00; they can request one in the attendance office. Repeated failure to display a badge could result in progressive discipline, as outlined in the Clark County School District Code of Conduct.
