THE NINTH GRADE NEWS

The Lee County School System fosters relationships through diverse, challenging, and quality educational experiences that cultivate successful citizens.

Mrs. Lawrence's message:

We had a good crowd at Open House. Thank you for taking your time to help start your student's high school career. Here are a couple of things to remember for the first day of school.

- LCHS9's classes start at 8:00 am.
- Students will need the PINK copies of their schedule that they got at open house for the first day of school. If they did not get their schedule at open house, your student's first period teacher will have it for them.
- Tomorrow, on the first day of school, students will report directly to first period. After tomorrow, they will stay in the gym or cafeteria (if they are eating breakfast) until the 7:50 bell rings, then they will report to first period

PSAT Registration

The PSAT is a great primer for the SAT and ACT. The PSAT will not count towards your college admissions applications but it is the qualifying test for the National Merit Scholarship. The PSAT will be given on Tuesday, October 20th at the Ninth Grade Campus. The cost is \$20 for 9th graders and can be paid in the front office. The deadline for registration is Friday, August 14, 2026. You can sign up for the PSAT during Open House or in the front office during regular business hours.

Schedule Changes:

The only schedule changes accepted will be for academic classes that are needed for graduation. See Mrs. Royals if you are missing an academic class. No teacher changes or elective changes will be considered.

Dropoff/Pick up instructions

Drop off students by using the entrance in front of the school. Students unload on the right side of the gym.

When you check your student out early, please use the entrance in front of the school.

Students will be picked up on the right side of the gym.

Leave home early. Historically, traffic has been intense and arriving on the first day takes longer.

We will open the doors to the gym at 7:30 each morning.
