Challenge Charter School Week of: August 17, 2026

Core Knowledge is #1! We get it done with fun! Hands-on, Right on! Integrated Science, Social Studies, Math, and Language Arts!

Here's what we'll be learning next week...

Math

This week we will we will be learning to add three digit numbers using various strategies.

A third grade expectation is to learn our 0-12 table for multiplication. Our first multiplication test will be on 10/9 and will cover tables 0-5.

Please note: Students are allowed to use a multiplication chart on work not directly testng fact fluency.

Science

We are kicking off our Light and Sound unit! This is such a fun unit with many hands on learning opportunities?

- What is light?
- Reflection and Mirrors
- Refraction and Lenses
