

Talented Art

Talented Art is an **accelerated visual arts program** offering an intensive, studio-based curriculum in a small group setting.

Students will:

- Develop technical and expressive studio skills
 - Explore drawing, painting, sculpture, and design
- Build knowledge of art history and aesthetics
 - Create a portfolio of original, high-quality work

The program nurtures creativity while challenging students to grow as artists.

Talented Music

Talented Music is an **accelerated program** for vocalists and instrumentalists, offering advanced instruction in:

- Music theory, history, and composition
- Ear training and ensemble skills
- Solo and group performance

Students will:

- Expand their musical knowledge and repertoire
 - Participate in multiple performances throughout the year
- Build a strong foundation for college or professional music pursuits

This program challenges and inspires young musicians to reach their full potential.

Talented Theatre

Talented Theatre is an **accelerated program** for students interested in acting, design, and stagecraft.

Students receive in-depth training in:

- Performance and improvisation
- Directing and theatrical design
- Theatre history and ensemble work
- Communication and creative expression

Students will:

- Build confidence and collaboration skills
- Receive individualized instruction
 - Participate in multiple performances throughout the year

This program supports students in becoming well-rounded, expressive theatre artists.

What is TAP?

The **Talented Arts Program (TAP)** is part of the **Students with Exceptionalities Department (SWE)** in St. Tammany Parish Public Schools.

- Students may be referred by a **parent, teacher, or self** through the **School Building Level Committee (SBLC)**.
- Referred students must complete:
 - A **School-Level Screening**
 - A **State Evaluation**
- Both steps follow guidelines set by the **Louisiana Department of Education**.

➡  **Scan the QR Code below** for Screening & Evaluation preparation tips.

Talented Arts Program Screening Info

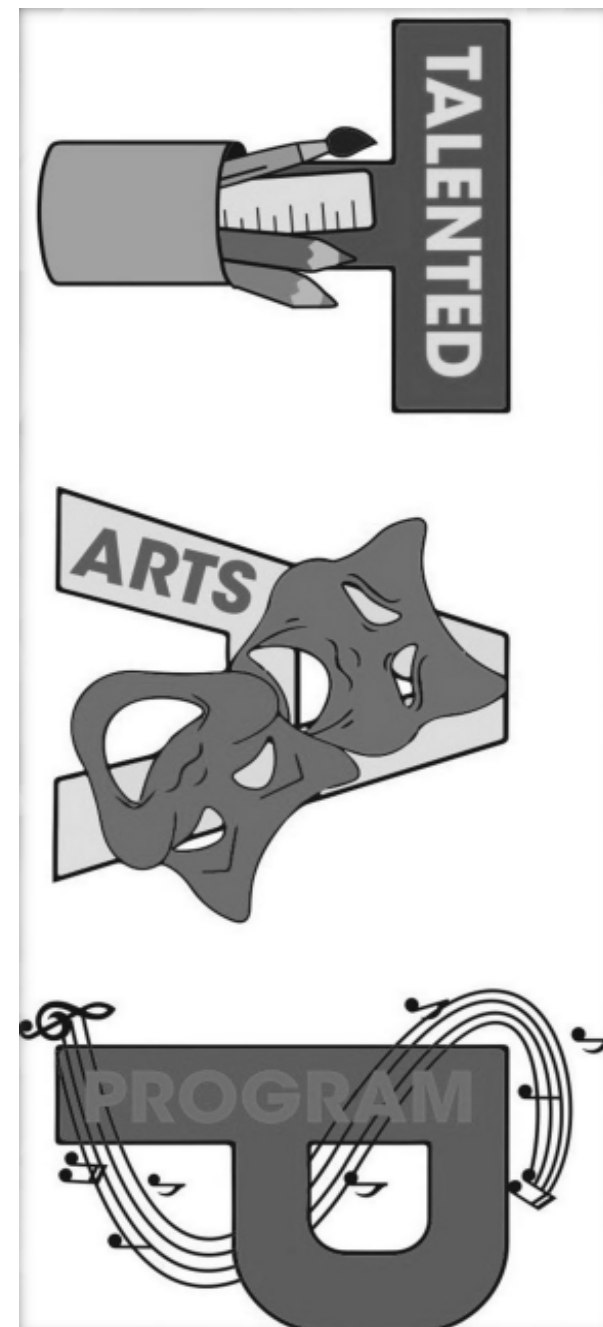

- **Screening Dates:** Contact your child's school for deadlines.
- **Sign-Up:** Contact the School Building Level Committee (SBLC) to request a Screening Packet which includes.
 - Parent permission for Screening/Evaluation (required document)
 - Preparation Guidance
- Questions? Contact your school's SBLC Chair or TAP Teacher for help.
