WHO TO CONTACT *at a glance*

You can use this resource to determine the best person to contact with questions, concerns, suggestions, etc. Under each topic, the first person you should contact is listed first. If he/she is unable to resolve your issue, you would then reach out to the next individual. For example, if you have a question regarding student medication, you would first contact the nurse. If the nurse is unable to resolve the issue, you would then contact the district medical director. Find phone numbers/email addresses at www.ktufsd.org/contact
