

Dear 8th Grade Parents and Students,

We are excited to share information about this year's **8th Grade Historical Studies Tour**, an unforgettable educational experience that will take our students beyond the classroom and into some of the most significant places in American history.

From **April 2-8, 2027**, students will travel to **Williamsburg, Washington, DC, and Gettysburg**, where they will visit iconic landmarks, explore key moments in our nation's history, and enjoy a memorable experience with their classmates. **As our 8th graders study American history this year, the Historical Studies Tour provides a unique opportunity to bring that learning to life by visiting many of the places where our nation's story unfolded.**

Please review the attached flyer for trip and registration details. A few important items to note:

- **Register online by:** September 2, 2026
- **Early registration savings:** \$160 for those who register by September 2 (applied to the last payment).
- **HST Information Night:** August 27 at 7:00 PM at the MSHS Campus.

This trip is much more than sightseeing. It is an opportunity for students to experience history firsthand, deepen their understanding of what they have learned, grow together as a class, and make memories that will last well beyond 8th grade.

We encourage families to review the attached flyer and begin discussing this exciting opportunity together. Join us on August 27 to learn more and have your questions answered. We hope your student can join us for the **Redwood Christian Middle School 8th-Grade Historical Studies Tour!**
