Free and Reduced-Price Meal Application

Our schools provide healthy meals every day for breakfast and lunch. Your family may qualify for free or reduced-price school meals. To apply, complete the Application for Educational Benefits, which is found on our website at www.hayfield.k12.mn.us under Quick Links, Application for Educational Benefits. A new application must be submitted each year. At public schools, your application also helps the school qualify for education funding and discounts.

State funds help to pay for reduced-price meals, so all students who are approved for either free or reduced-price school meals will receive school meals at no charge. State funds also help to pay for breakfasts for Kindergarten students, so all Kindergarten students receive breakfasts at no charge.

Meal prices for this school year are:

Breakfast for all students: FREE

Lunch for Elementary School: FREE

Lunch for Middle and High School: FREE

If you have any questions about the Free and Reduced-Price meal program, please contact the district office, at 507-671-1556.
