Special Services Available Through
Hayfield Community School

Hayfield Community Schools provide support to students through a full range of special service programs. Students with special needs may be provided services in the general education classroom, through individualized instruction in a resource room, in special classes, in special day schools, or in residential schools, homes, or hospitals. A team of special and general education personnel works with parents to plan an education program that meets the learner's individual needs. An individualized education plan is developed cooperatively between parents and school staff. The special services provided by Hayfield Community Schools include the following:

Audiology, Birth-To-Three, Developmental Cognitive Disorders, Early Childhood Special Education, Emotional/Behavioral Disorders, Extended School Year, Hearing Impairments, Specific Learning Disabilities, Limited English Proficiency, Psychological Services, School Health Services, School Social Worker and Counselor, Speech & Language Therapy, Speech & Language Pathology Assistant, Transition 18-22 programming

For general information or if you suspect that your child (age birth to 21) may be in need of special services, please contact your child's teacher or call: The Special Education Coordinator 507-671-1555, Hayfield Community Schools, 9 Sixth AVE SE, Hayfield MN 55940. Hayfield is a member of Zumbro Education District (ZED). ZED provides our school with low-incidence special services staff, professional development, and many other areas specific to special education.
