Foreword by Mary Daly

CHS volleyball started as an extra-mural sport. Limited games of competition were allowed between other schools. It became so popular that, in 1972, The Minnesota State High School League approved Volleyball as the second interscholastic girls sport. When I walked into the principal's office & told him we needed to start a program, he replied, "I suppose the next thing you want are uniforms?"We got the program but not the uniforms, as the first CHS volleyball team wore their blue one-piece gym uniforms. Uniforms came later, but were shared by all the interscholastic girls teams: Volleyball, Track & Field and Badminton/Table Tennis.

The first conference Volleyball games were timed: 8 minutes or 15 points which ever came first. Thankfully that lasted for only one season. One of the first strategic challenges was the notion that a team should set up an attack rather than just sending the ball back over the net. Bump-set-spike became the mantra as the girls' skill levels rapidly developed. Multiple offensive plays evolved that increased the enjoyment and competition level for the players. The mantra then became pass-set-hit.

There were many fond memories, but the one that stands out is the team of 1975. Chaska's group of talented girl athletes developed their volleyball skills quickly and played their way into the state tournament. Team chemistry exuded heart, desire and competitiveness as they compiled a record of 17-2. The tournament was held at St. Cloud State College. A major snowstorm altered travel plans and the players were instructed to stay in town so they could make it to the bus in the morning. With the help of parents, they all made it to the bus. Not me, I was snowed in and had to walk up a hill so the bus could pick me up. Chaska fans had been fantastic all year, but really overwhelmed us as people from all over our community braved the inclement weather to support our team. The team took 3rd place and put Chaska Volleyball on the map.

Chaska Volleyball, through the efforts of its coaches, players and community support has evolved into a powerful program. I'm proud and thankful to have been a part of this great program, and look forward to its continued success.

Mary A. Daly

Mary Daly was the CHS Head Volleyball Coach from 1972 – 1988, conducted youth clinics 1974 – 1996 and coached Middle School & Junior teams from 1989 – 1996. Mary Daly was inducted into Chaska High School's Hall of Fame in 2008.

Foreword by Sue Murphy

I graduated from Chaska High school in 1982. I played for Mary Daly on the Varsity Volleyball team. As soon as I graduated from high school, Mary hired me to coach in the high school program in the fall of 1982. Within that time I coached all levels of play: 9th grade, B-Squad, Junior Varsity, Co-head coach with Judy Sones, and then eventually the head coach. In 1994 The Chaska Juniors club team was formed and I have been coaching and club directing ever since its inception.

It is remarkable of how many past players I have coached and then coached their children. There came a time that once my last niece Makayla Wenzel gradu ated that I contemplated retiring. After much soul searching, it was not my time as I still loved the game and loved giving back to not only the volleyball program but to the Chaska Community, which has meant the world to me.
