PVN PTO Membership and School Supplies
2026 - 2027

The PVN PTO is actively committed to enhancing our children's educational experience with contributions of financial support and volunteerism. We collaborate with parents, teachers and staff to enrich our children's education and foster the wonder of learning. We create an environment that helps strengthen the connection between home and school. The PTO helps purchase classroom equipment and supplies, books, supplement field trips, art enrichment programs and supplies, playground equipment, cooking classroom supplies, and a whole lot more!

To ensure we have the ability to do all of these things, we invite you to become a member of the PTO for $25. This goes a long way in helping our school. PTO membership also entitles you to participate in discussions, make motions, and vote during monthly PTO meetings. As a token of our appreciation, we will send you a school/home communication notepad. If you are interested in filling a volunteer position on the 2026-2027 PTO, please contact the PTO Presidents, Becky Dzuris & Michelle Pittman, at pvn.pto6450@gmail.com.

School Supplies

Take the hassle out of school supply shopping! The PTO offers a school supply kit* for you to order. Our teachers believe in, and promote, a community atmosphere in the classrooms; so, all supplies are stored together to benefit the entire class. All supplies ordered from the PTO are delivered to your child's classroom.
Order one kit per child.
