

In Case of an Emergency... Make Sure Your Contact Info is Up-to-Date!

Double Check with the Infinite Campus Annual Update

Infinite Campus Parent Portal is now active for the 2026-2027 school year! To ensure your child's safety, parents MUST REVIEW / UPDATE / COMPLETE the **Infinite Campus Annual Update AND Non-Household Relationships Update** at the beginning of each school year. Students can not attend field trips if these updates haven't been completed!

The Annual Update is a Critical Step to Prepare for the School Year

- In the event of a school closure or emergency, staff will use the family contact information on file in Infinite Campus. Make sure your details are up to date so you don't miss urgent messages from your school!
- We need all families to sign the Parent & Student Rights Handbook in the Infinite Campus portal.
- Infinite Campus syncs guardian contact data to ParentSquare, which we use for family communications, so it's critical that we have the right information so that you receive key information.

How to Access Your Parent Portal

- **IF YOU HAVE A LOG-IN AND ACCESS TO PARENT PORTAL:** Visit the district website at <https://www.scusd.edu> and in the top green bar, hover on 'Families' then click 'Infinite Campus,' where you can sign into your parent portal.
- **IF YOU DO NOT HAVE A LOG-IN AND ACCESS:** You'll first need to request your 'activation key' from the school office by calling 916-395-4890 or stopping by the office at **Back to School Night on Wednesday, August 19, 2026**. Once you have your 'key', go to **Create** to set up your account.
- Then follow these **instructions** to complete the Annual Update and Non-Household Relationships Update.
