

Superintendent's Snapshot

MARICOPA UNIFIED SCHOOL DISTRICT

August 14, 2026

SCHOOL CHOICE CHANGED THE GAME. MUSD SAID, GAME ON.

Dear MUSD Families,

Families are choosing MUSD. The numbers prove it.

Enrollment is up over last year and just shy of our projections.

Why it matters: Families have more say about their children's education than ever. MUSD has more to offer.

- **Signature Programs** in Dual Language, Gifted, Fine Arts, STEAM, Leadership and Blended Learning
- **Two comprehensive high schools** offering athletics, honors and AP courses, clubs and Career and Technical Education
- **Alma Farrell Innovation Academy**, Arizona's first K-8 work-based learning model

...and so much more.

We follow the numbers, too. We are adding classes where they are needed and shifting staff to serve more students.

Great programs. Smaller class sizes. Fiscal responsibility. Smart strategies that make MUSD the right choice.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
