REMINDER: Every Wednesday is EARLY Release at 1:05pm

Dear Pueblo Families,

We are still missing acknowledgements from some of our families and need your help to complete this task. If you have yet to log into your ParentVue to acknowledge the required documents, please do so this weekend so you can be removed from our list.

Each year, families are required to acknowledge important documents through our online parent portal, [ParentVUE](#).

It is important that one parent or guardian logs into ParentVUE to acknowledge these items and confirm emergency contact information by August 31, 2026.

Examples of required items include:

Acknowledgment of the Kyrene Family Handbook

Acknowledgment of technology use guidance

Selection of preference for student survey participation

ParentVUE is accessible from the Kyrene website or directly at www.kyrene.org/pvue. Using the mobile app? The ParentVUE and StudentVUE apps have a new version, and the older one is no longer supported. When you log in, you may be prompted to update — it takes less than a minute. After updating, you'll reconnect to the Kyrene School District and then select "Already Activated" to get back into your existing account.

When you log into ParentVUE, you will receive an immediate prompt, asking for your acknowledgment of any outstanding items. Please note that if you also use ParentVUE for a Tempe Union High School student, we recommend you log in to your Kyrene account on the website, rather than through the app.

DONATE

Donate to help with restocking the PBIS store this year. The PTO supports our PBIS Store every year through generous donations from our families.

If you would like to donate to help restock the PBIS Store follow this link: [Help us Restock the PBIS Store](#)

WHAT IS PBIS YOU ASK?

PBIS is Positive Behavioral Interventions and Supports. This is a schoolwide approach in which the goal is to establish a positive student

Be Respectful

culture and individualized behavior support necessary to create a safe and effective learning environment for all students. The store is part of this program, in which students earn “dog tags” for following specific positive behavioral guidelines and can “purchase” items from the store. Students follow our unified set of B.A.R.K. expectations throughout the day:

ATTENDANCE MATTERS

Kyrene School District is committed to working with families to improve student attendance and academic success. Our school will send email notices when a student misses four or more days of school, whether excused or unexcused. Additional notices are sent when a student reaches 8 and 13 absences. If a student exceeds 18 absences, a more formal letter will be sent, but it is our goal to partner with families before that happens. Kyrene has a [webpage](#) with resources to maintain good attendance habits, including our “Too Sick for school” guide to help determine when to keep children home.

ATTENDANCE LINE

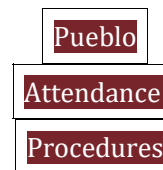

The absence reporting phone number is 480-541-6801 and may be called 24 hours a day.

Parents/guardians are asked to call the attendance line or enter the absence into ParentVUE before 9:00 AM each day that their child is absent. If you call, please leave a message on the voicemail, indicating the student’s name, grade, date(s) of the absence and reason for the absence. If we do not receive a notification that the child will be absent, the student’s absence will be recorded as a truancy.

NOTE: Parents MUST report their child's absence to the attendance office within 24 hours, even if they spoke to the health office or if they told a teacher. We cannot excuse any absences until we receive a message from the parent/guardian.

Pueblo Middle School is equipped with a computerized telephone attendance reporting system.

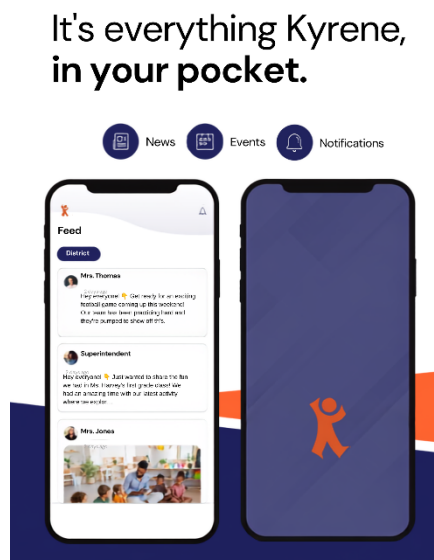

Parents will also be able to submit their child's absences in ParentVue up to 5 days in advance.

DOWNLOAD OUR APP (It's everything Kyrene, in your pocket!)

Kyrene has a new mobile app to keep you connected to both your school and the district. Stay updated on events, student stories and important announcements. Families can access multiple school feeds from a single app, and the app is available to anyone! That means extended family members and caregivers can stay in the loop as well.

The Kyrene app is free to download from the [Apple App Store](#) or the [Google Play Store](#).

ARIZONA HEALTHY SCHOOLS ACT

(Important changes for the 2026-27 school year)

Arizona's new Healthy Schools Act changes laws governing food in schools, to help kids stay healthy. The law identifies 11 banned ingredients, and schools participating in federal meal programs cannot serve or sell foods with any of the ingredients. Additionally, food brought to campus during the school day must not contain any of the banned ingredients.

Important! These new rules do not apply to parents packing their child's individual lunch or snacks. You can still pack any lunches, snacks, or treats for your individual child. However, the new rules do restrict the foods allowed during classroom parties and other celebrations during the school day. For a full lists of banned ingredients, answers to frequently asked questions, and additional information, visit [Kyrene.org/healthyschools](https://kyrene.org/healthyschools).

Arizona Healthy Schools Act

Important changes for the 2026-27 school year

WHAT'S NEW

Arizona's new Healthy Schools Act changes laws governing food in schools, to help kids stay healthy. Schools participating in federal meal programs cannot serve or sell foods with banned ingredients. Additionally, food brought to campus during the school day must not contain any of the banned ingredients.

IMPORTANT! These new rules **do not apply to parents packing their child's individual lunch or snacks**. You can still pack any lunches, snacks, or treats for your individual child.

ALLOWED

- ✓ Food fundraisers held off campus or outside the school day
- ✓ Food brought by parents for their own child
- ✓ Shared food that does not contain banned ingredients

RESTRICTED

- ✗ Shared food during the school day that contain banned ingredients
- ✗ Classroom parties and celebrations with foods containing banned ingredients
- ✗ School-sponsored birthday or holiday treats with banned ingredients

SCHOOL DAY RESTRICTIONS

- School Meals
- School Stores
- Fundraisers
- Class Celebrations
- Culinary or FACS Classes
- Catering
- Vending Machines

For this law, a school day is defined as midnight until 30 minutes after the instructional day ends.

RESTRICTED INGREDIENTS

- Potassium Bromate
- Propylparaben
- Titanium Dioxide
- Brominated Vegetable Oil
- Yellow Dye 5 or 6
- Red Dye 3 or 40
- Blue Dye 1 or 2
- Green Dye 3

For more information, visit www.kyrene.org/foodservices

MEAL DELIVERIES

Please note that we **do not** allow any third-party lunch deliveries to the school office. (Examples would include DoorDash and Uber Eats, among others.) Deliveries of this kind disrupt students' lunch schedules, and the timing is often unreliable. In addition we have a food service contract with the District, which specifies not having competing foods brought into school.

Parents may bring their own students' lunches to the office if need be, but may not bring lunches or treats for additional students. If any 3rd party delivered lunches arrive in the office, unless arrangements have been previously made with the administration, the student will have to pick them up at the end of the day. Your cooperation is appreciated.

Students will not be called out of class to pick up dropped-off items.

TRANSPORTATION

Families can access information regarding Bus Routes and Bus Safety by visiting the Kyrene webpage and looking under the Parent Tab. Click the button to visit the transportation webpage.

Please update your information as soon as possible with Transportation if your address has changed. Our Transportation system is based on a student's physical home address.

FOOD SERVICES

In order to determine if your student qualifies for free or reduced price meals, we ask that all families complete the free and reduced meal application located on kyrene.org.

Meal payments can be made on the InTouch Payment Portal this year. Parents can view meal balances on the Linq Connect Portal or pay by check/cash at schools.

[InTouch Payment Portal](#)

Free & Reduced lunch applications are available at school sites. You can complete an application on the Kyrene website or email at kbs@kyrene.org.

VISITORS TO SCHOOLS

Every visitor to the school campus is required to enter through the front office. If the visitor's business is appropriate, the visitor will complete the sign-in process (name, nature of business, and time).

Every visitor will be required to exchange their picture ID for a numbered visitor's badge. No one will be permitted in the school or on campus unless they are wearing a numbered visitor's badge.

Unless authorized by the site principal, student visitors are not allowed on campus during the school day, nor before or after school when Kyrene students are present (Policy 3-203). We ask that visitors and volunteers refrain from bringing students' siblings or other non-students with them to the school. Additionally, siblings and other non-students will not be permitted to attend school-sponsored trips.

Parent requests to observe in the classroom are to be scheduled through the office in advance and have the prior approval of the school administration. Observations should not disrupt students' instructional time. An observer who wishes to speak to the teacher will need to schedule an appointment before or after school.

This policy ensures safety, minimizes classroom interruption, and promotes full concentration of both students and volunteers/visitors on the learning activity

E-BIKES AND SCOOTERS

Please note that motorized vehicles and devices, including e-bikes and e-scooters, are not allowed on Kyrene school campuses. Students may not use them as transportation to and from school, and they may not be operated or parked on campus. This restriction does not apply to approved accommodation such as mobility devices required for disabilities. Those devices are permitted. The City of Chandler has laws regulating the use of motorized devices, including who can ride them and where. Kyrene's practice is aligned with those laws, and we will continue to partner with police to help ensure the safety of our campus and community.
