Dedication

We, the Class of 1967, dedicate our yearbook to the young men of our community who have been and are serving in the armed forces.

What are these men doing for us? They are preserving freedom for us. They are risking their lives for us. They are making it possible for us to go to school each day without fear. They are striving to bring freedom to our fellow men in Vietnam.

So ask yourself, what do we owe these young men? We owe them gratitude! We owe them the utmost respect! We are proud to have these men fighting for us . . . not against us.

ALSO GRADUATING . . . . . INTO RETIREMENT

Another graduate this year is Mrs. Lillian Seyfert . . . . she graduates into that fictitious realm called retirement where energy and wisdom so often rededicates itself and comparingly makes weaklings of us all.

Good-bye, Good luck, and Good health.
